Alektra is nothing short of amazing. This big-boobed brunette has taken the porn world by storm, even earning a "Favorite Rookie of the Year" award at last year's inaugural F.A.M.E. CARNAL CAMERA

Our roving photographer was reminded recently how quickly time flies. He's known Bobby, the son of a colleague, for years. Now, many years later, Bobby's all grown up, a handsome, strapping sophomore at a local university, coming to his "uncle" for a favor. There's this seed in his dorm named Cherry who's so crazy about him that she's willing to do anything—anything—if he'll fuck her. She said she'd even fuck his buddy Charlie if that is what it took. Plus, she'd even let Bobby bring along a photographer. That's how badly Cherry wanted to fuck him. "So what do you say?" Bobby asked. "You can take all the pictures you want. Cherry said she'll sign whatever papers need to be signed. In fact, when I told her I might bring along a professional magazine photographer, she got all excited. I think she might be an exhibitionist!"

What can a favorite 'uncle' say to a plea like that? Besides, if Cherry was as horny as Bobby said she was, she might have a future as a model!

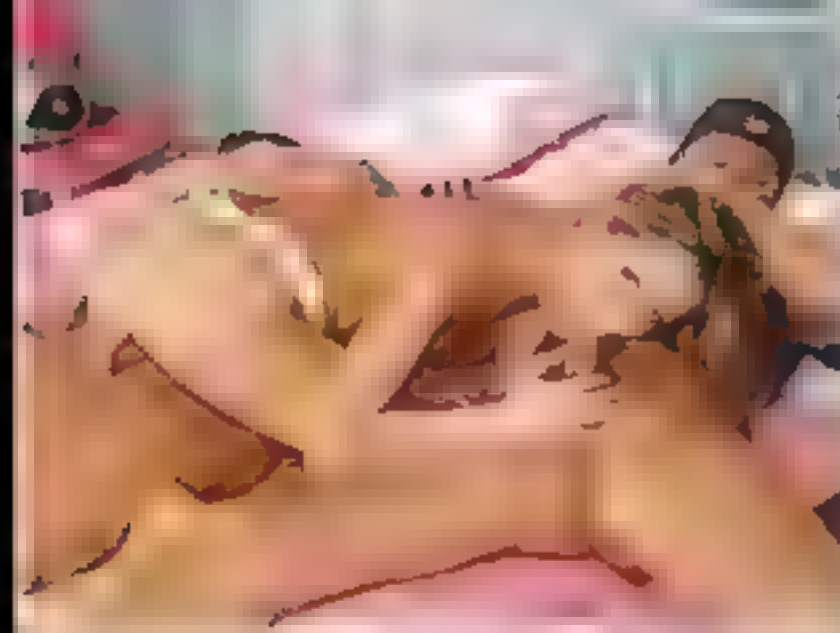

It was a quiet Saturday at Cherry's dorm room when Bobby, Charlie, and our photographer showed up. Cherry's roommate had gone home for the weekend, so they had the place to themselves. Our man was worried that Bobby had overstated his case about Cherry's willingness, but the moment he met her he knew she was a natural party girl with a taste for wild sex. Cherry was not only beautiful, but also uninhibited. When he handed her a standard model release, she merely glanced at it before signing her name. "Does this mean I'll be in a porno magazine?" she asked. "Yes," our man told her. Cherry lit up. "Cool!" she exclaimed. "Let's fuck!"

Cherry was in such a horny hurry to get at Bobby and Charlie that our photographer had to scramble to get his camera gear out of his bag.

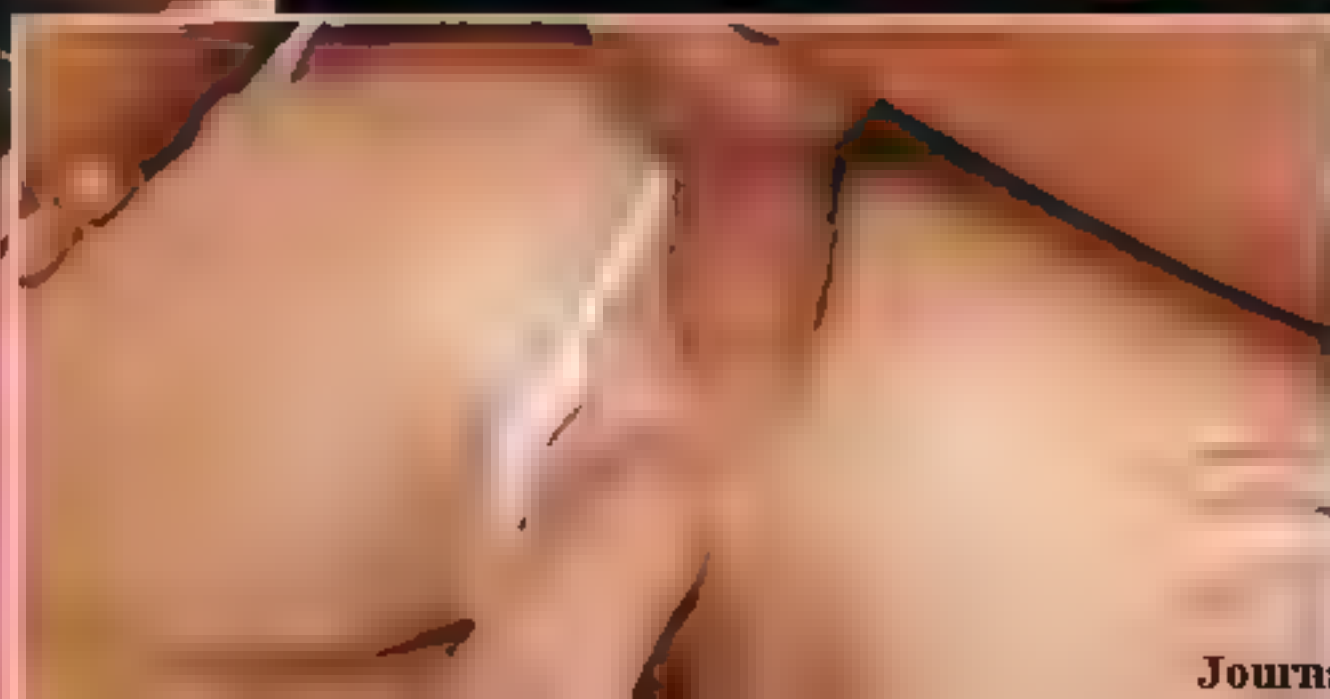

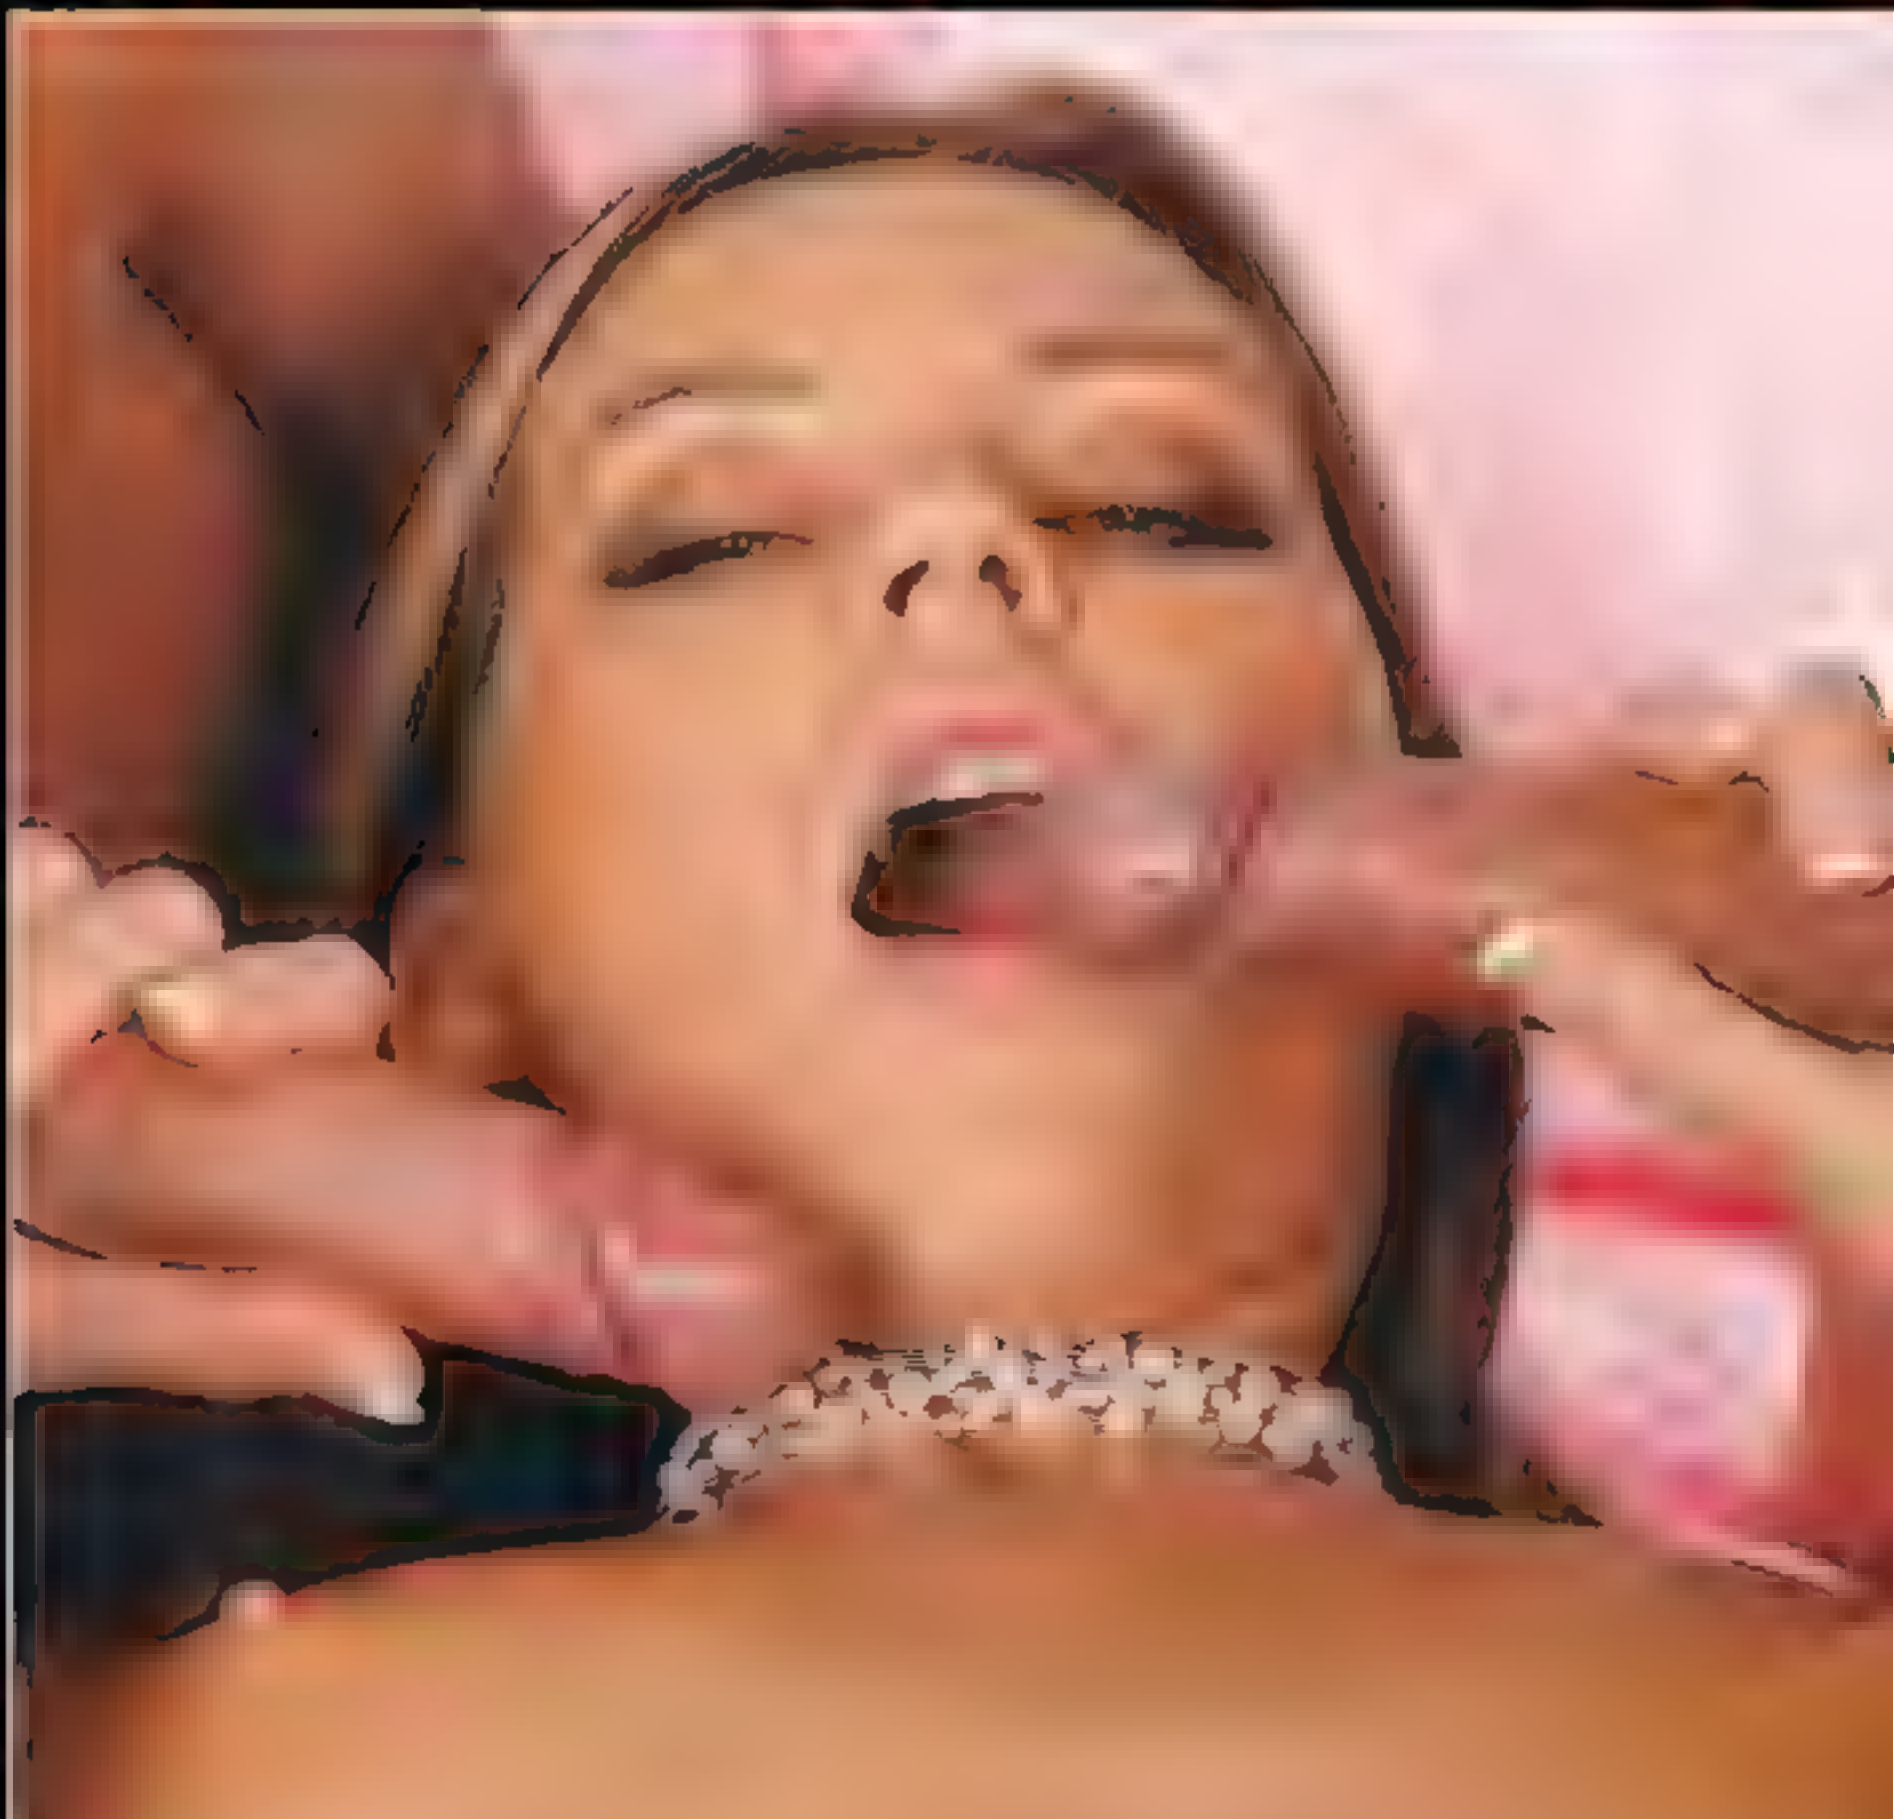

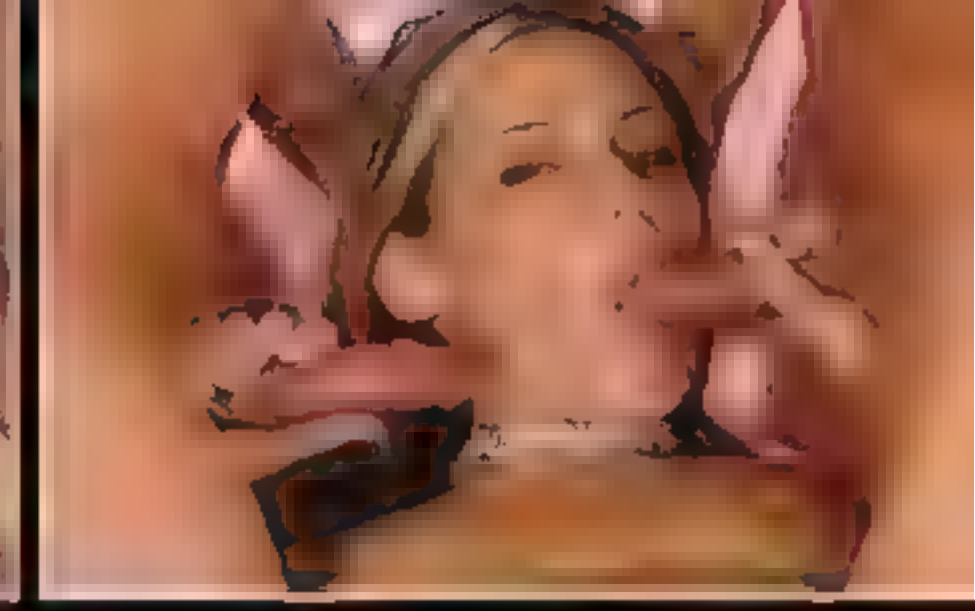

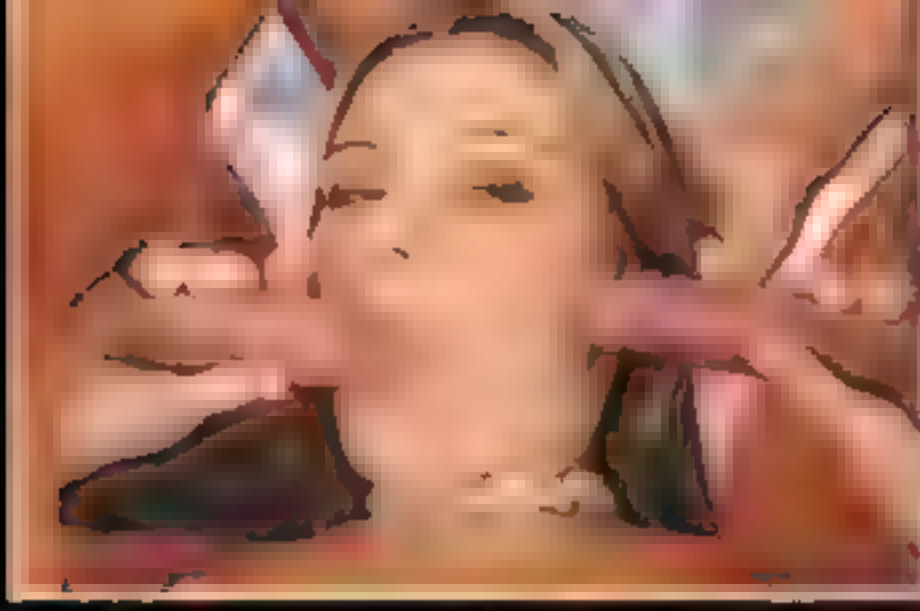

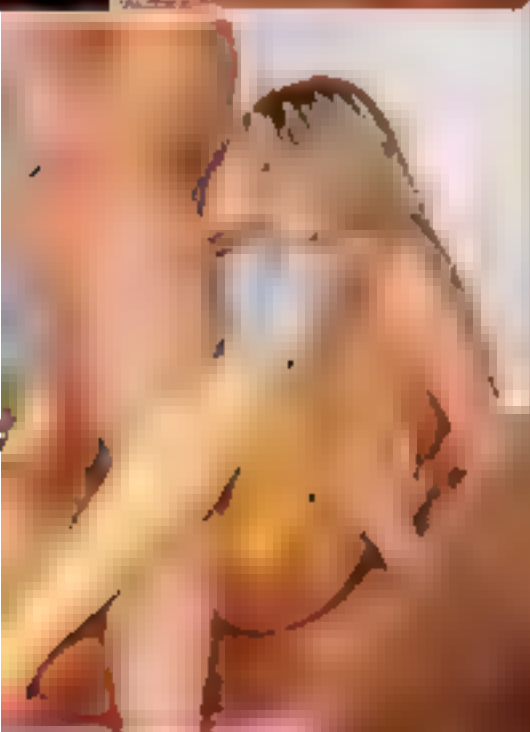

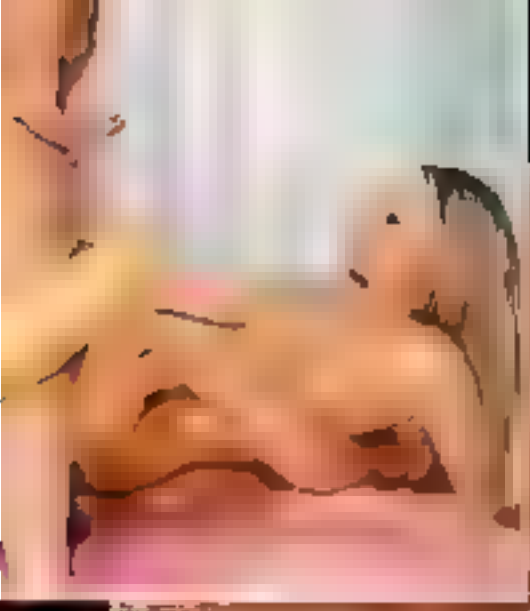

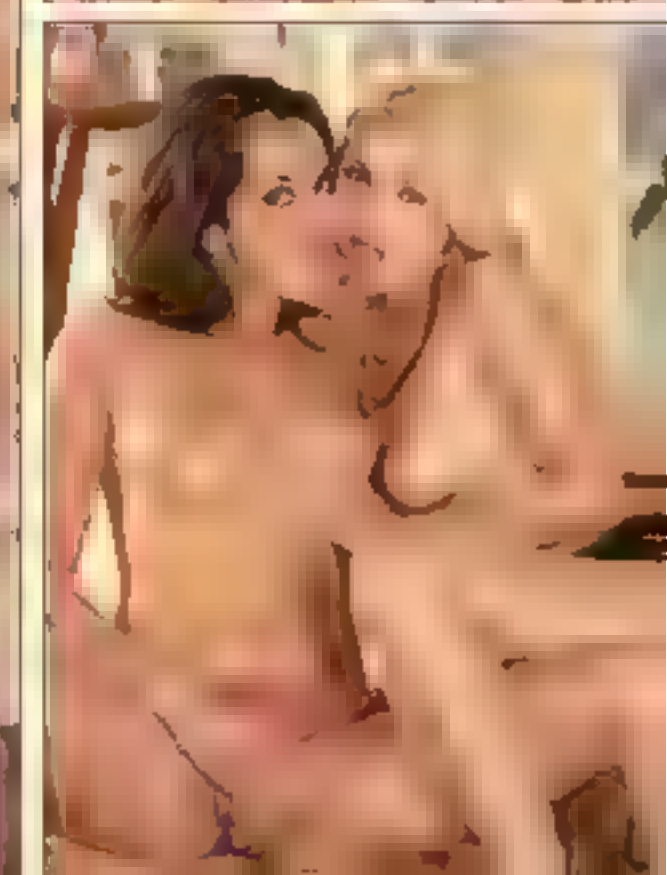

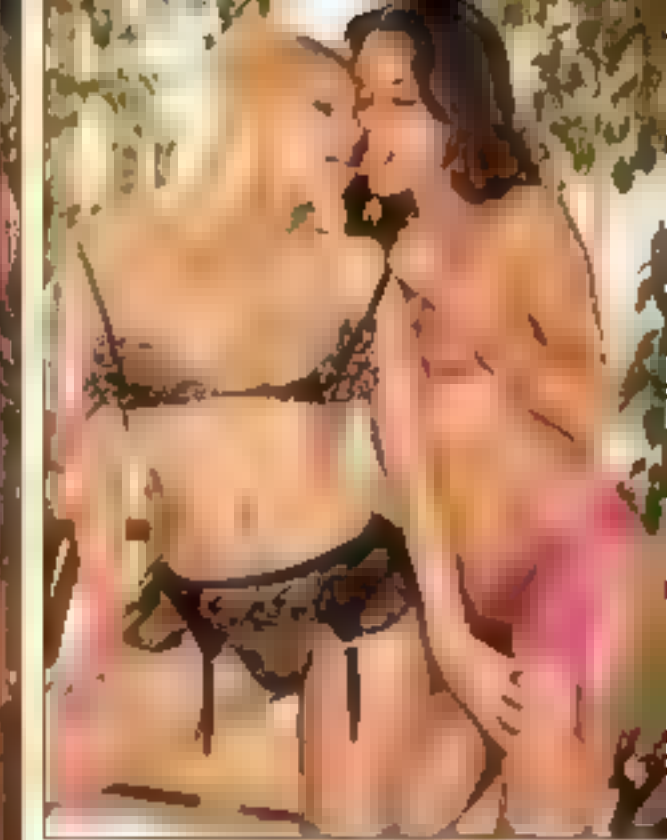

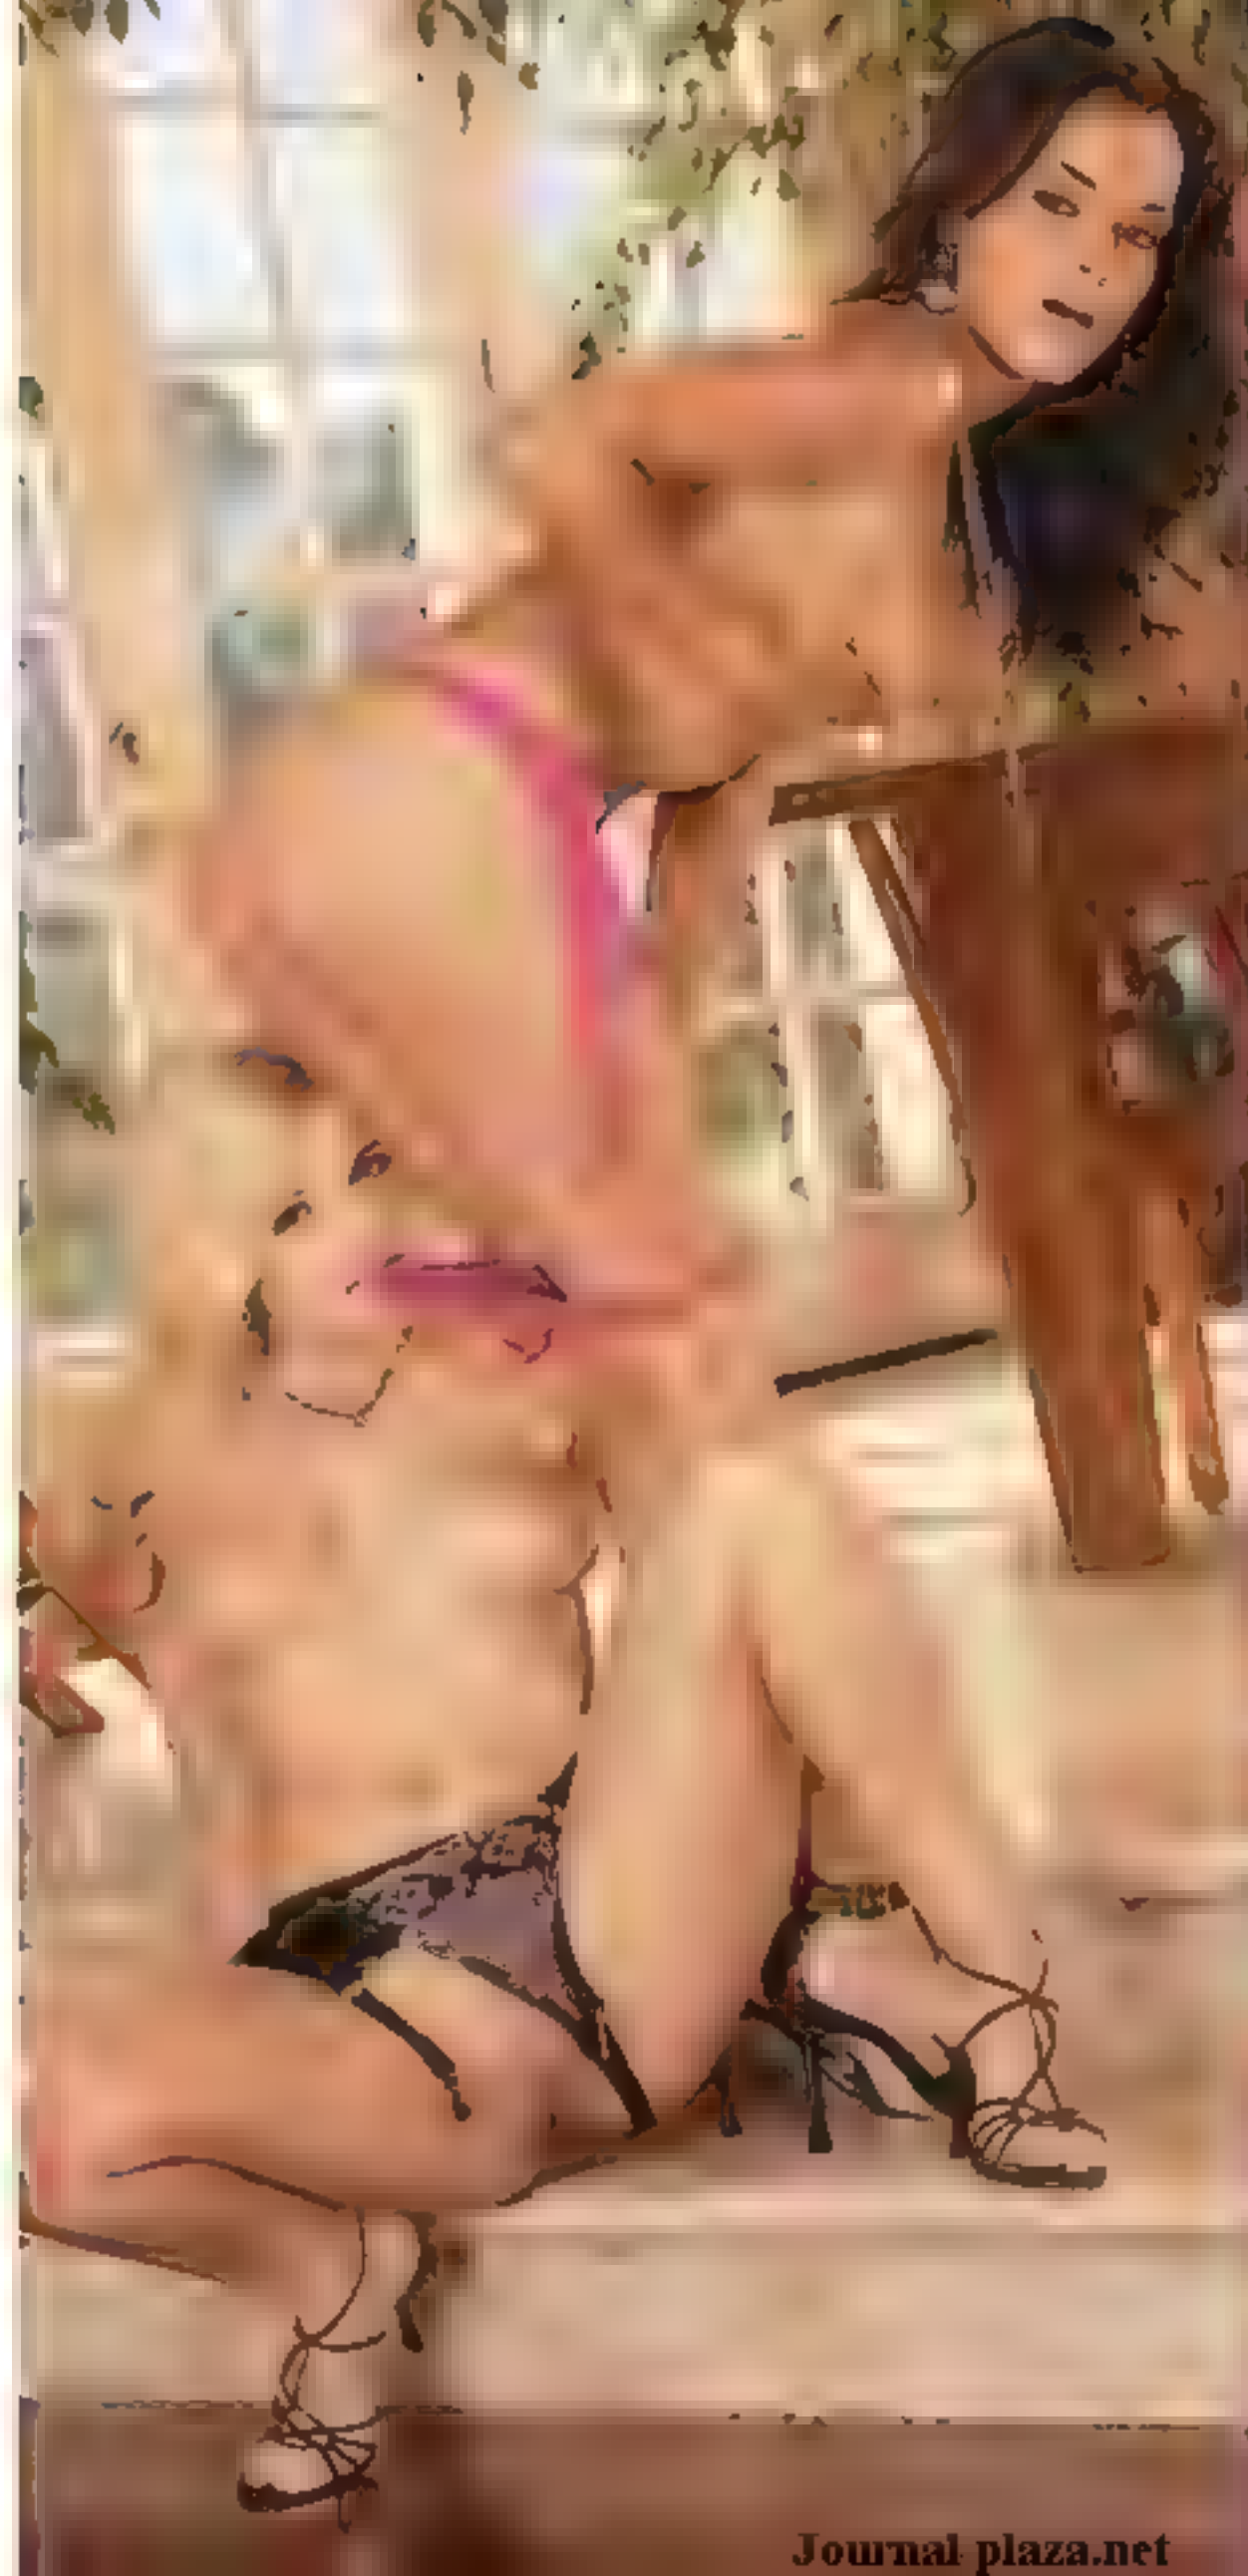

Well, Cherry, we hope you don't regret your crazy day with Bobby and Charlie. Whether you like it now or not, this is your national sex debut!

As he started snapping shots of Cherry stuffing her mouth with both cocks, our photographer marveled at how mainstream porn has become in the past ten years. Now even respectable, middle-class coeds at top universities are willing to be photographed having sex. Of course, it also has a lot to do with the new feminism. If guys can have all the sex they want without embarrassment, why can't girls do it, too? Why can't Cherry enjoy as many guilt-free orgasms as she pleases? Besides, if anyone doesn't like it, they can go fuck themselves, right?

Jennifer & Derrick

EVERY GUY'S DREAM!

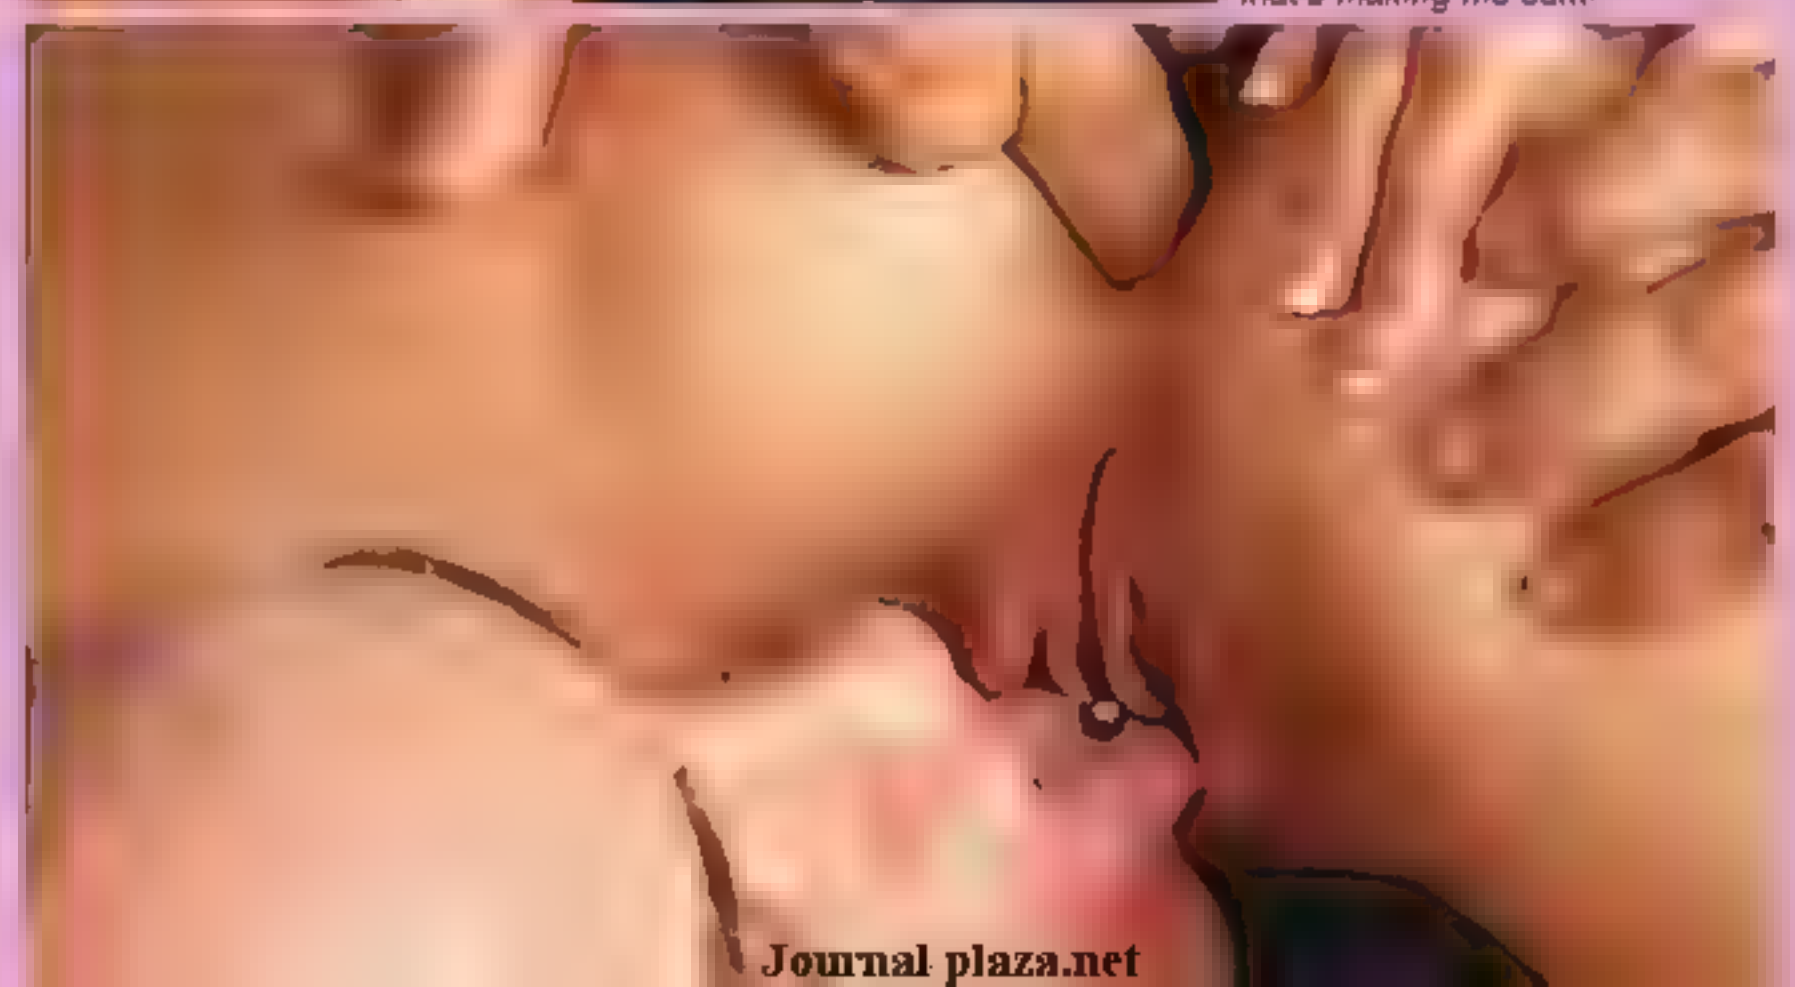

Jennifer Dark is petite and perfectly proportioned, with an otherworldly beauty that makes other girls look like tomboys. But what makes Jennifer really special is her desire to cater to every male fantasy, no matter how extreme. She knows that a girl with her stunning looks and style doesn't have to spread her ass cheeks for a good butt-fucking or grovel on her knees or swallow every load of cum that squirts into her mouth. But Jennifer's primary thrill is getting so down, so dirty that men will gasp. "I can't believe a girl that beautiful is willing to do that!"

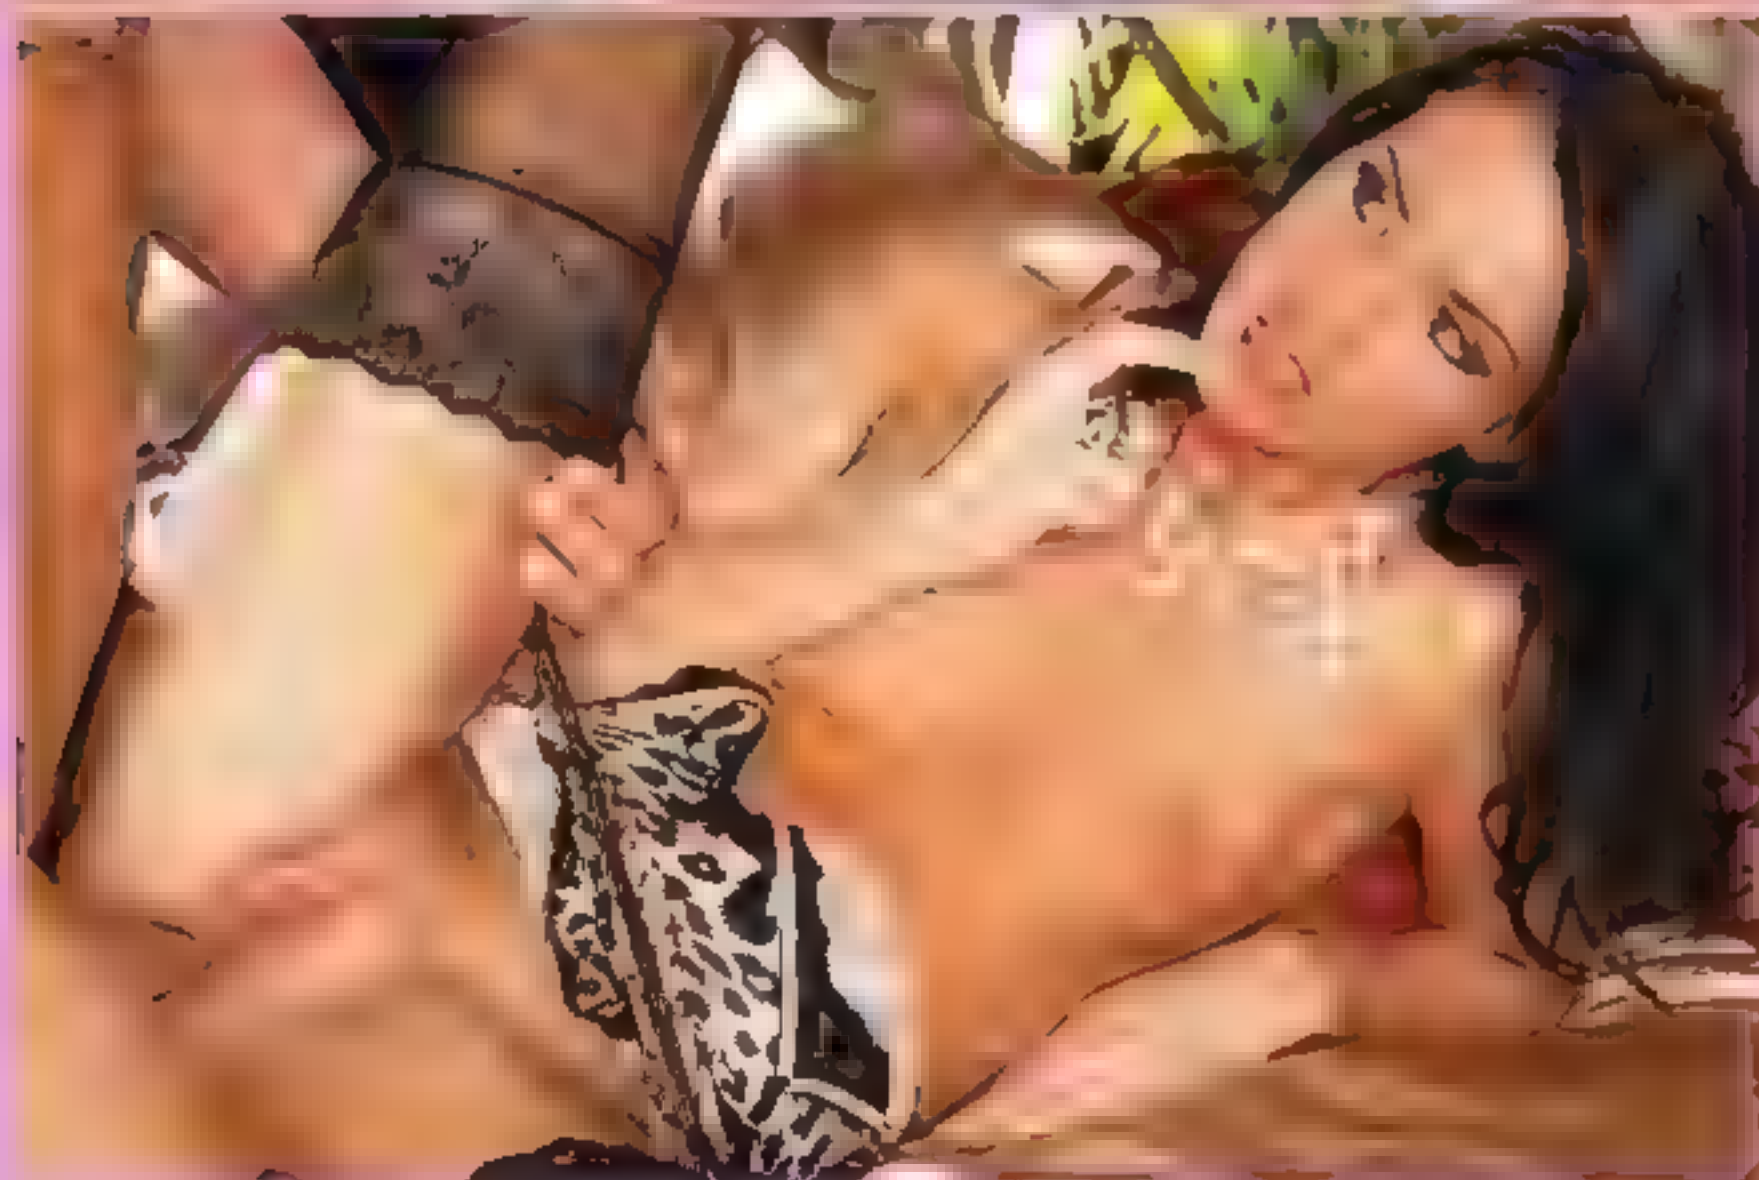

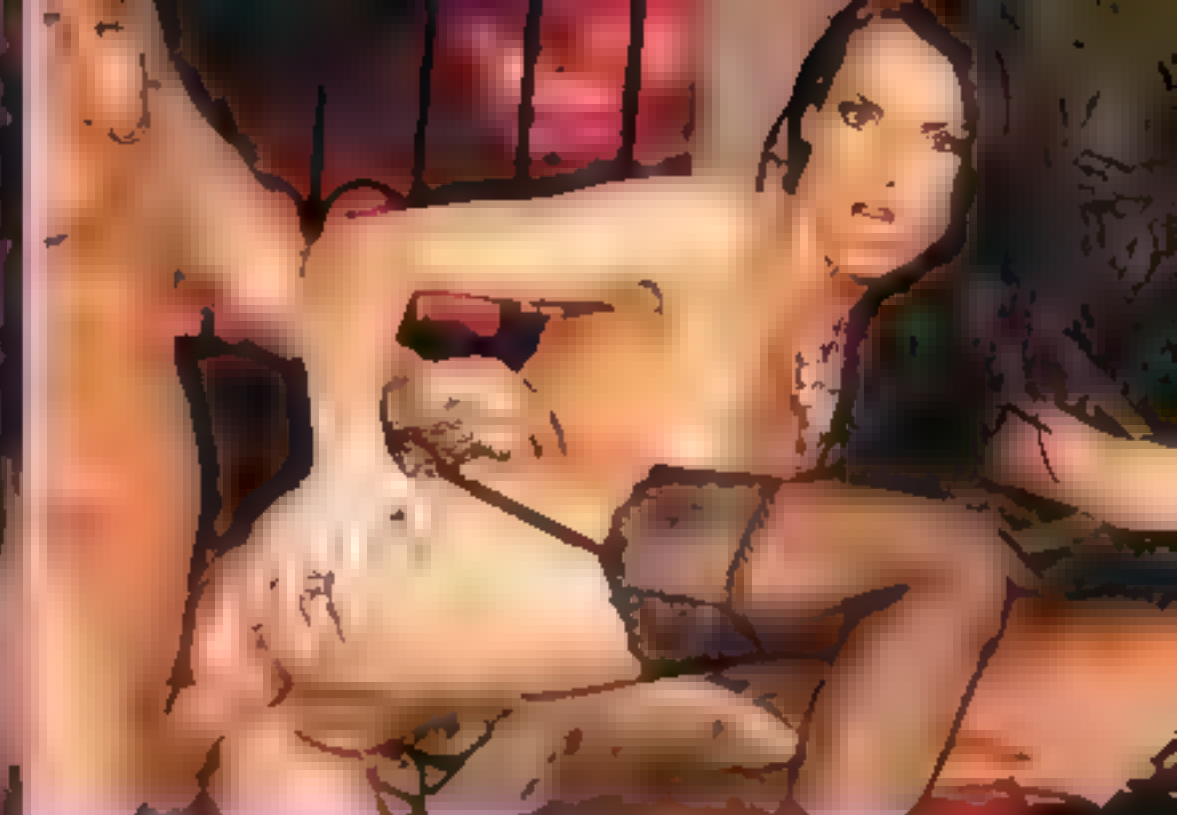

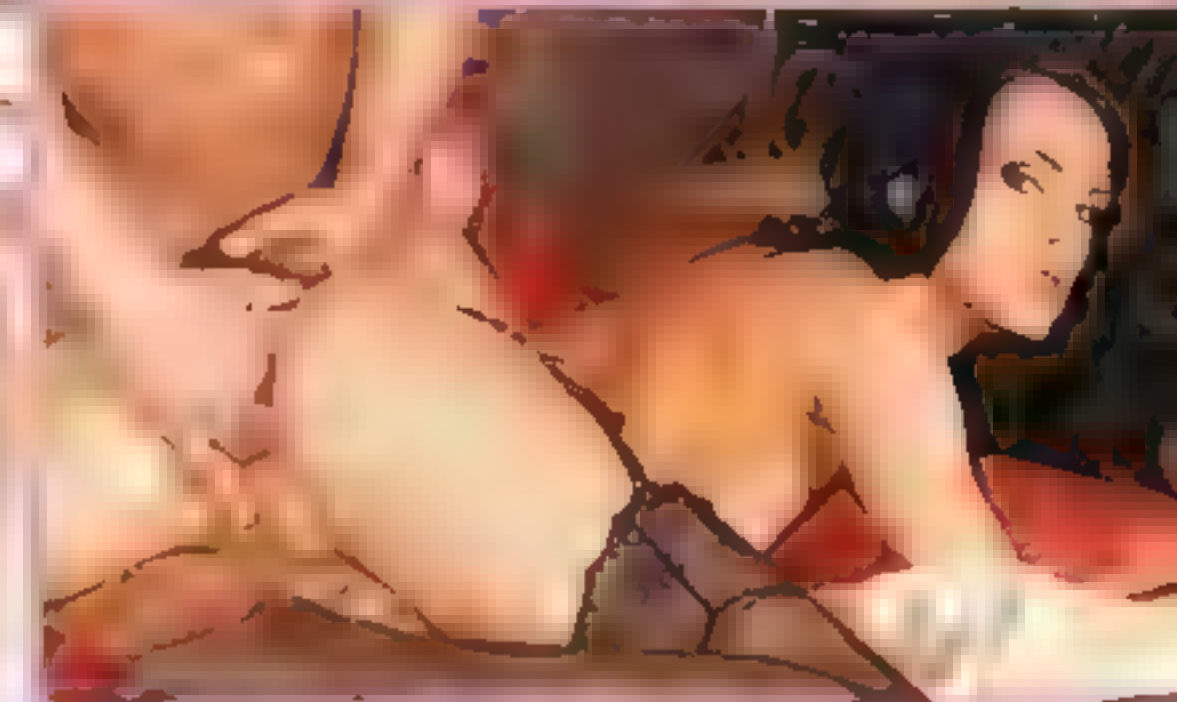

Let's face it, if you suddenly found yourself alone with this gorgeous piece of ass right now, the first thing you'd do is pinch yourself to make sure you weren't dreaming. You'd tell yourself, I'm not really licking this juicy pussy and feeling her black nylon against my ears and hearing her soft moans. Or, those aren't really her full red lips making my cock disappear as her dark eyes gaze up at me in total rapture. And that's not really the volcanic heat of Jennifer's mouth that's making me cum!

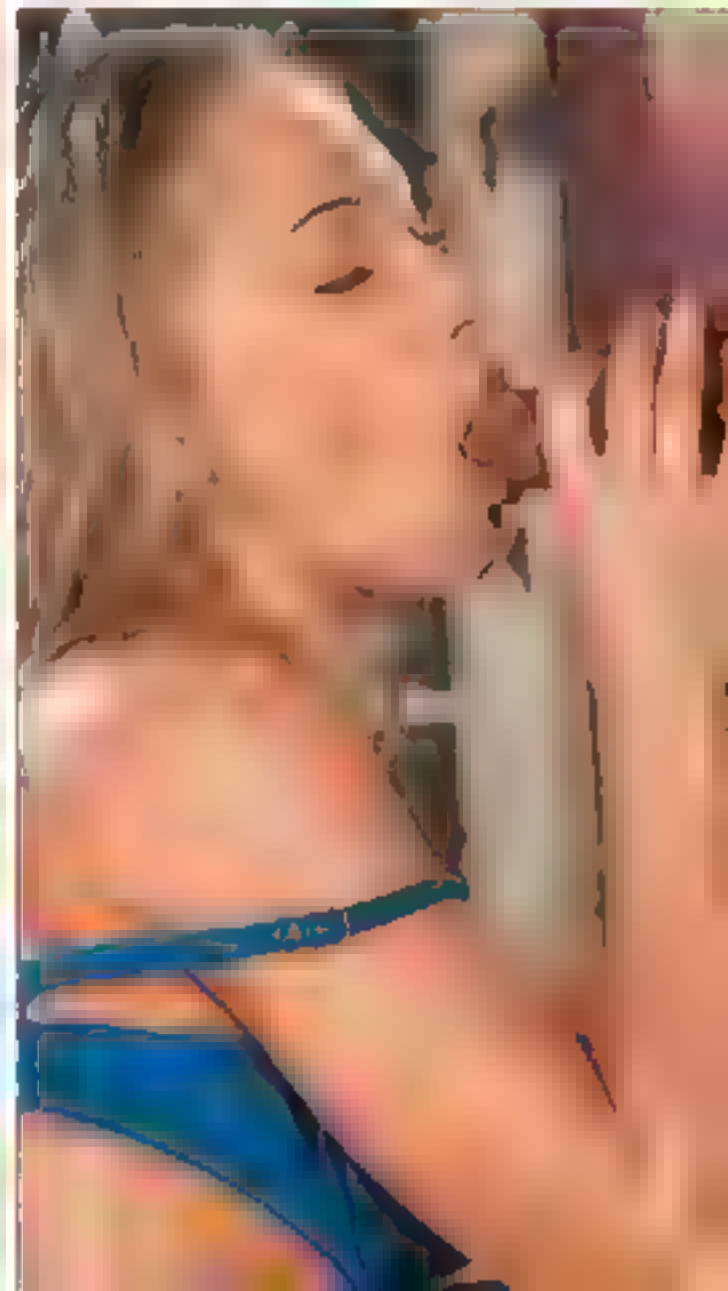

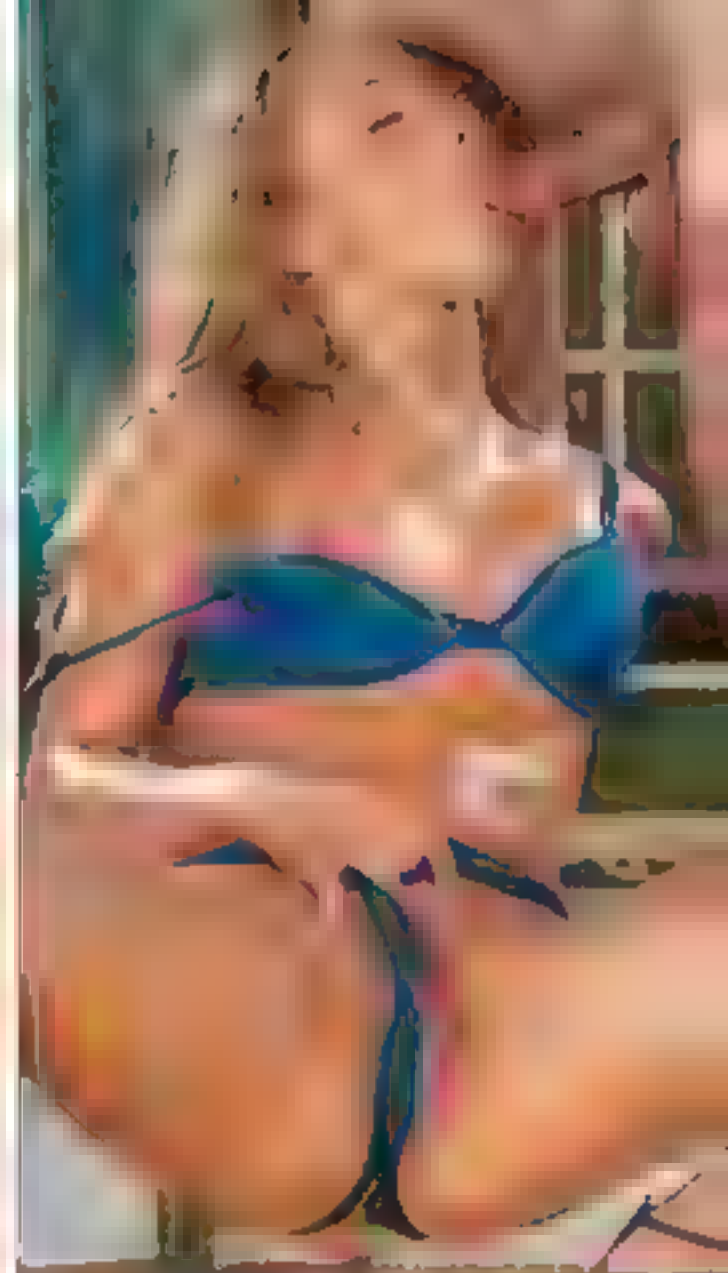

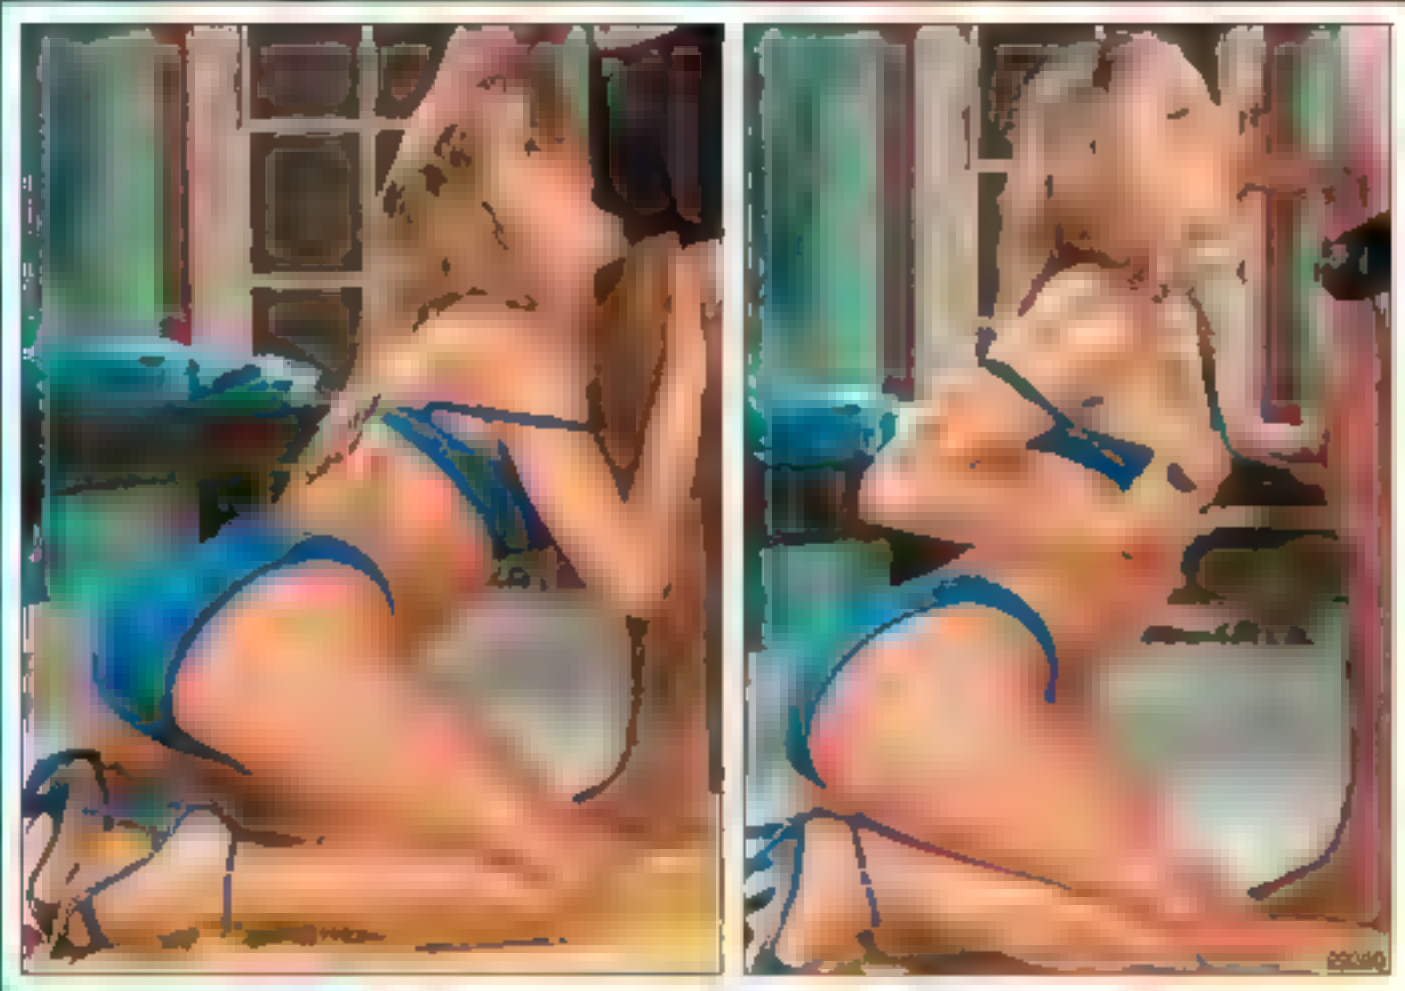

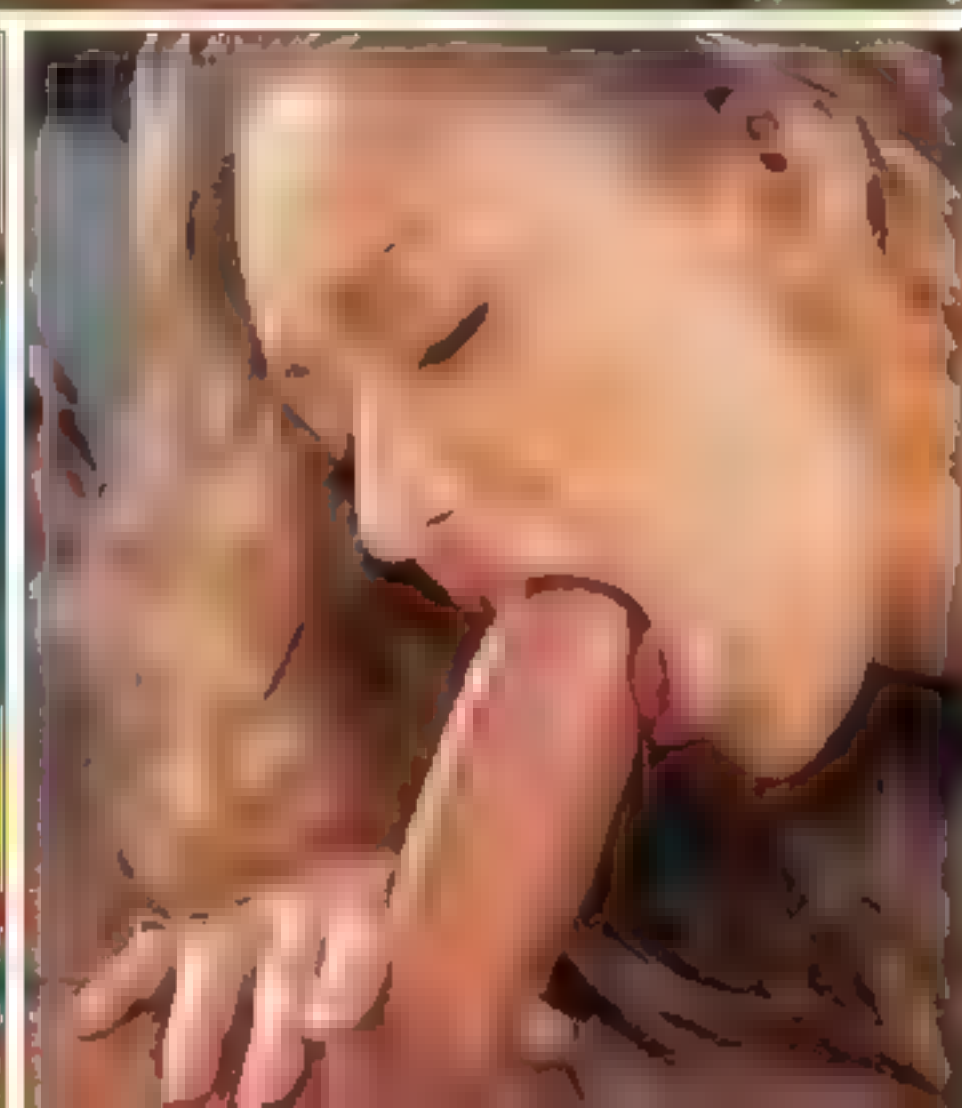

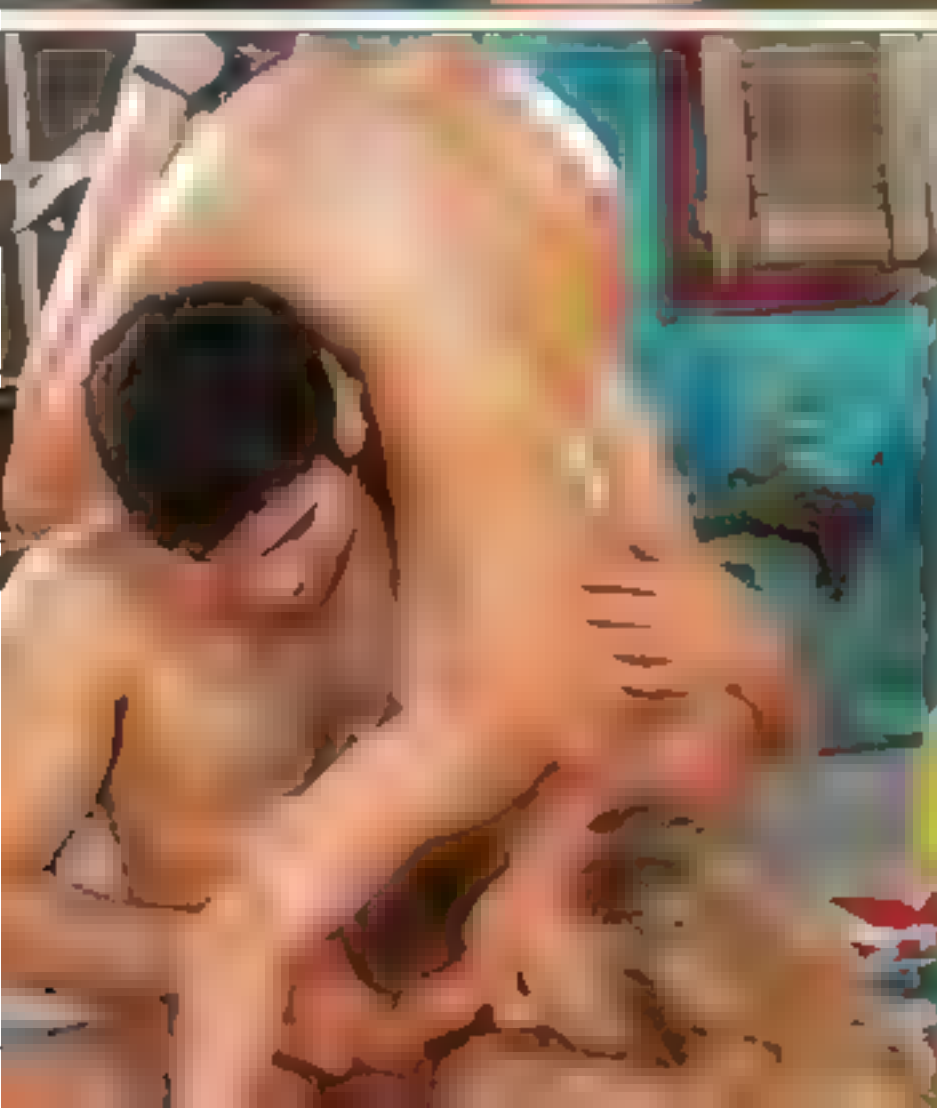

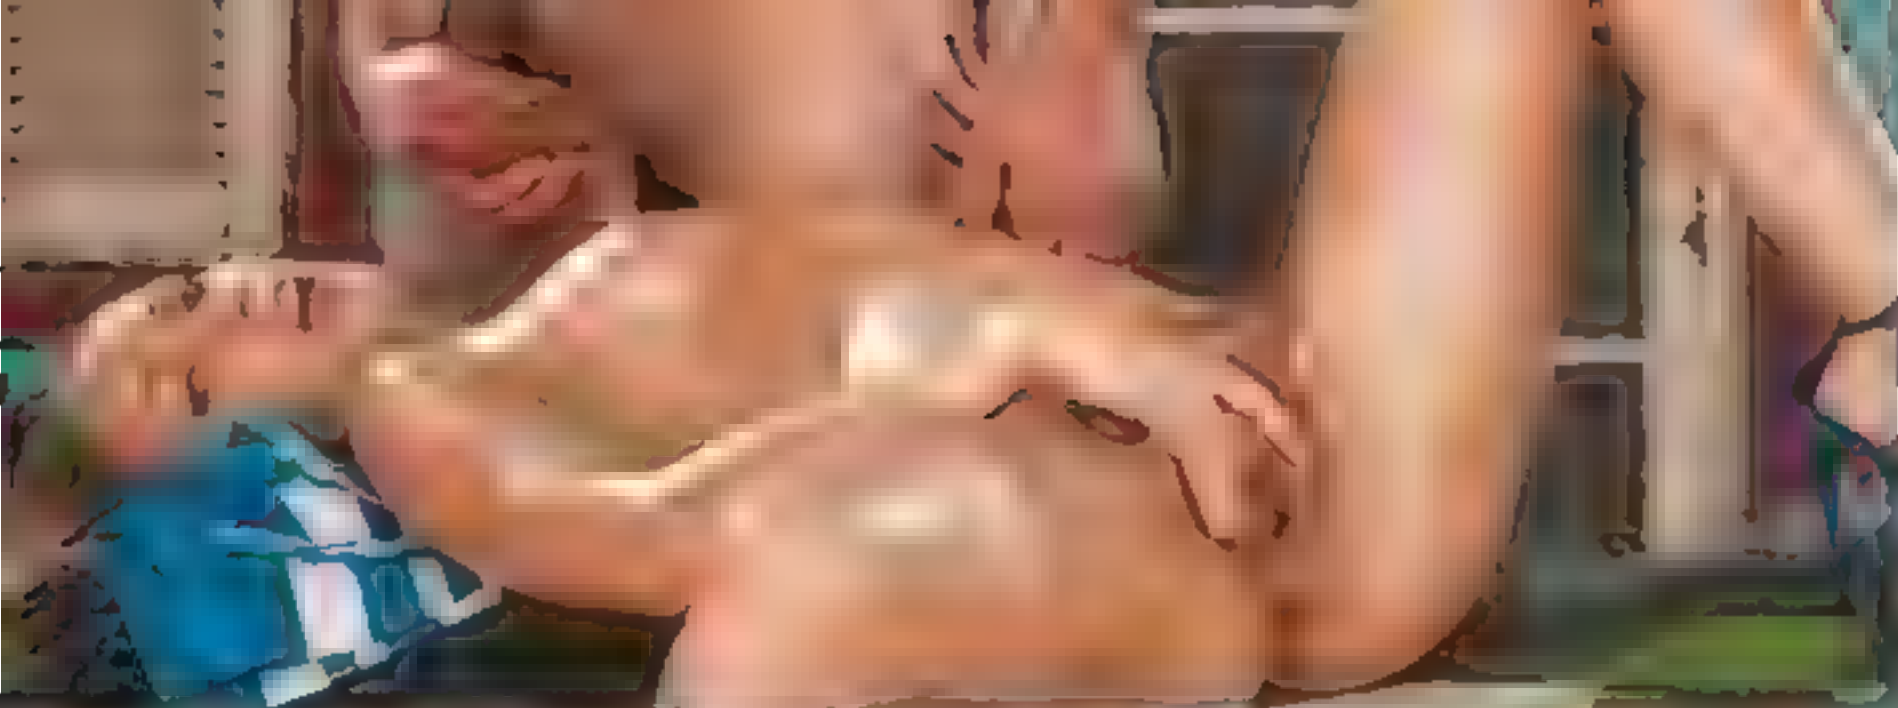

You may discover that your dream with Jennifer isn't going to be as easy as you think. Yes, she'll lick your ass and suck your balls and fuck your brains out, but Jennifer expects you to do more than lie there. When she spreads those long legs, she'll pull your face against her pussy and order you to lick it deep and hard. Then she'll raise her thighs and tell you to tongue-flick her little brown-eye—again as hard and as deep as you can. And when it's time for fucking, she'll start on top and work her slim hips and tell you to meet every thrust, even if it kills you. If you can get past those first few minutes, she'll want to ride you for an hour until your balls can't take it anymore. From then on, it's up to you. Will you fuck her doggy-style? Will you fuck her ass? Or will you dangle your balls on her chin and slide your cock down her throat until you shoot every last drop you have? Take your pick. After all, as Jennifer will tell you, it's your dream, right!

It wasn't that long ago when men's magazines and porn movies were for guys only. If you had fuck books and X-rated videos lying around the house, you hid them whenever a girl came over because you didn't want her to think you were a skinny pervert. But nowadays, thanks to the mainstreaming of porn, even so-called nice girls are curious about VELVET and Blonny Daniele DVDs. Take Lisa, for instance. She can't keep her hands off her neighbor Leslie's collection of smut. She's always curious about the girls, complimenting their beauty, and wondering what it must be like to be a porn star. So one day Leslie called her bluff. "I have a photographer friend who shoots these girls for magazines, and if he thinks you're pretty enough, he'll come over here and shoot us. What do you think?" Well, it was the "if he thinks you're pretty enough" that closed the deal for Lisa. "Bring him over," she said defiantly.

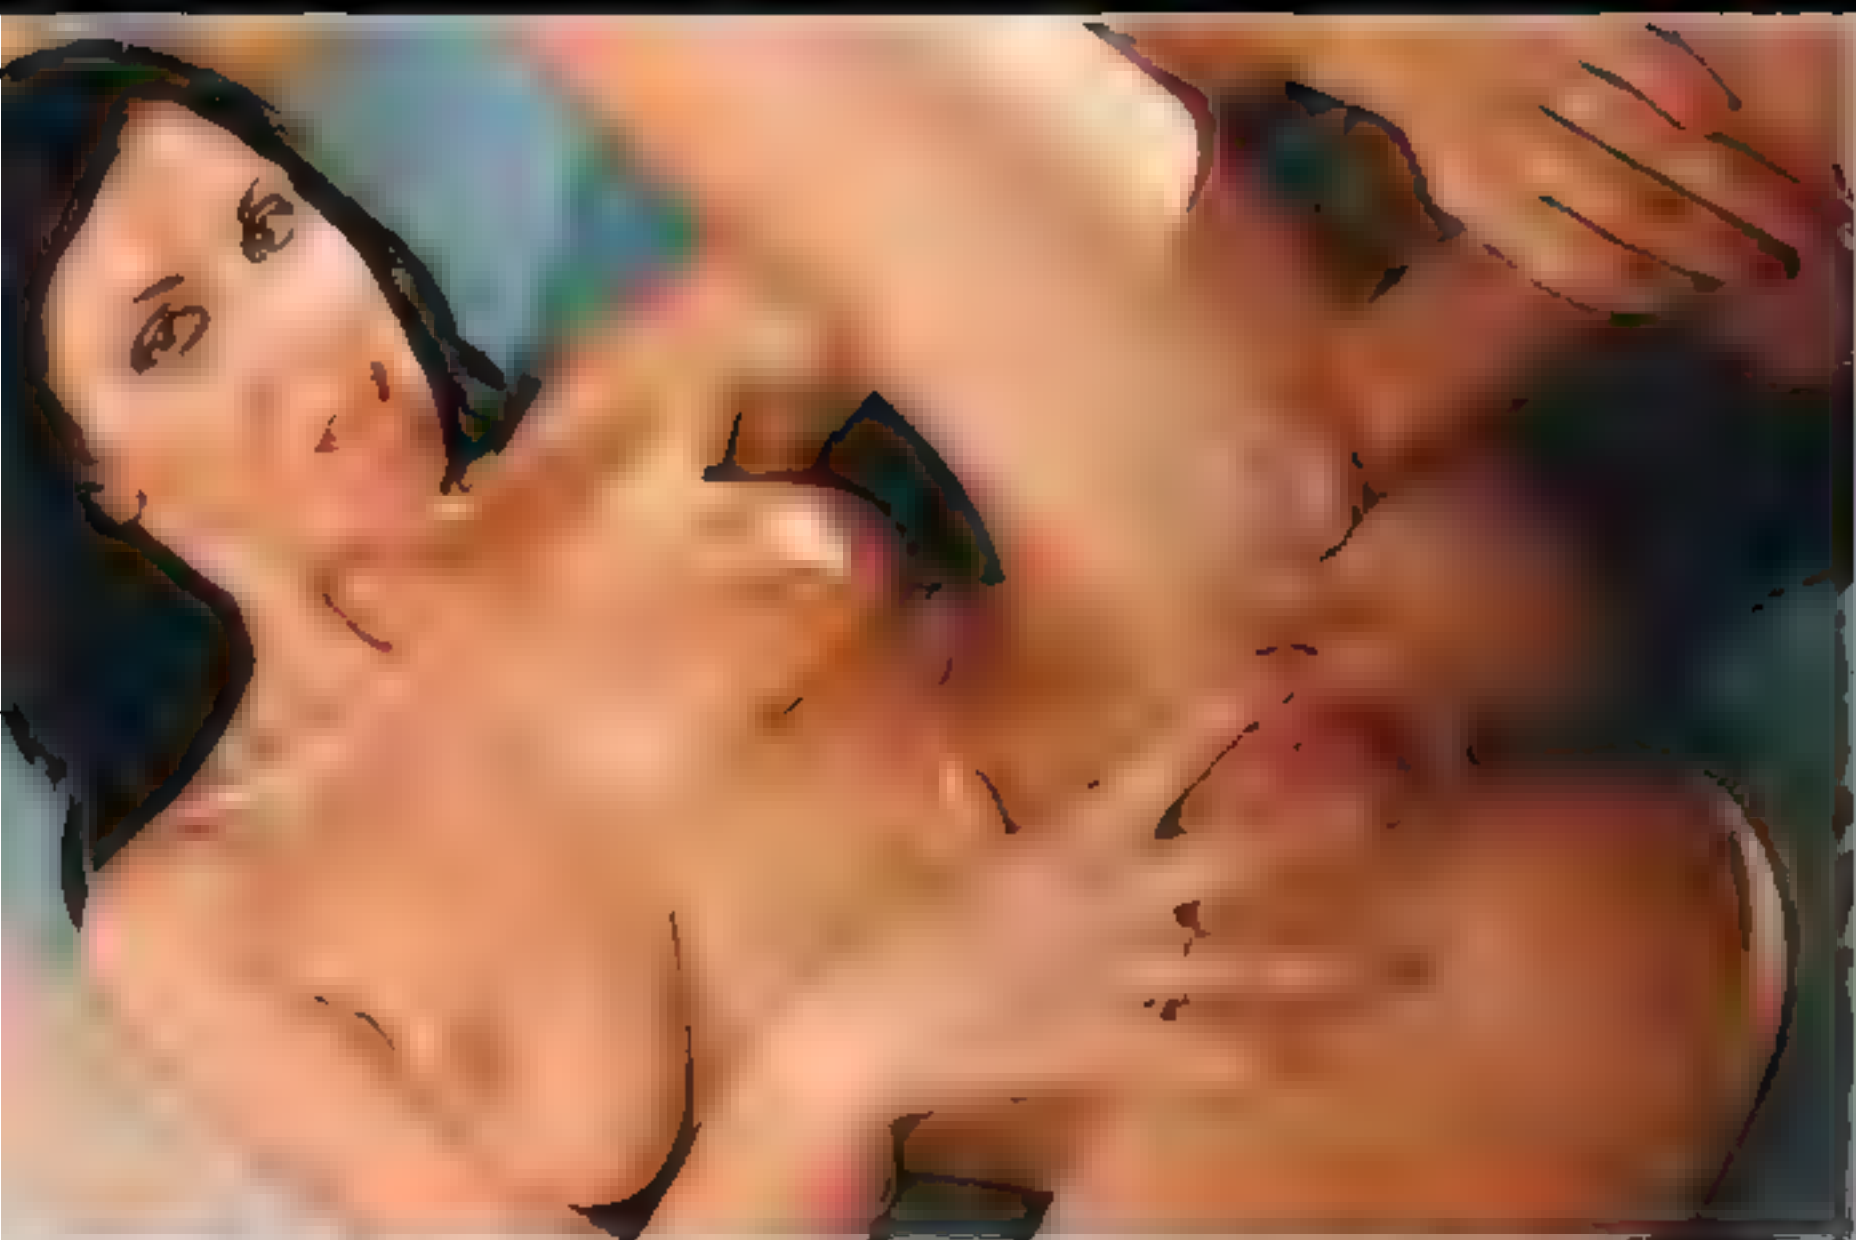

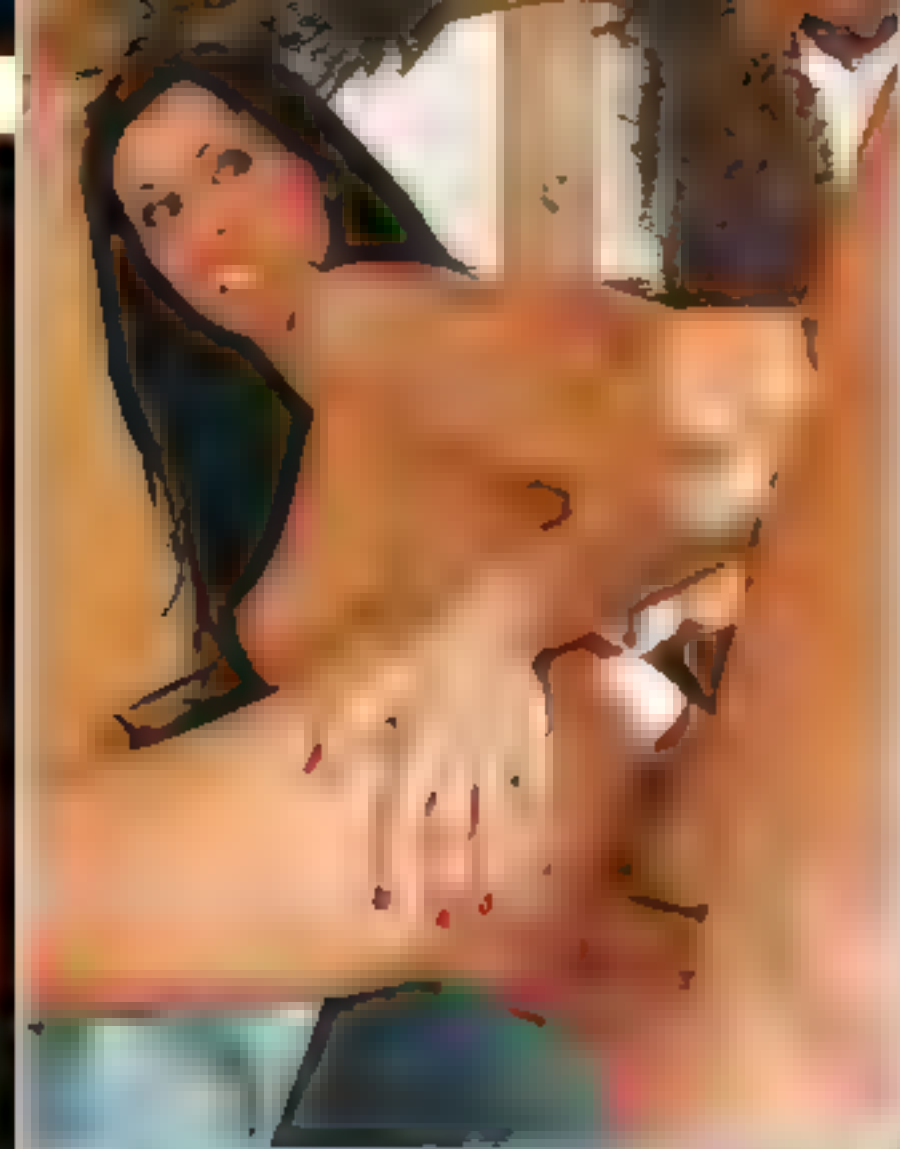

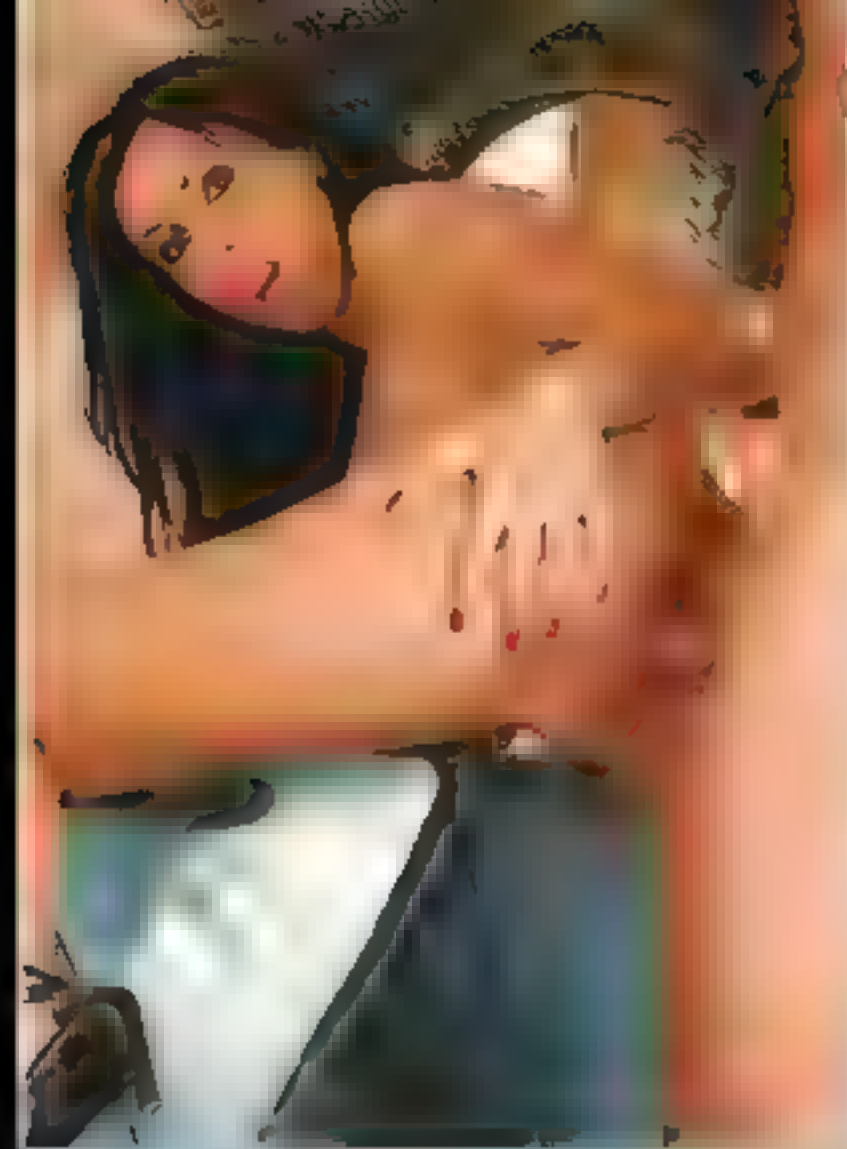

So Leslie called our roving photographer, who happens to be a friend of a friend, and said he had a slutty brunette who'd like to do porn!

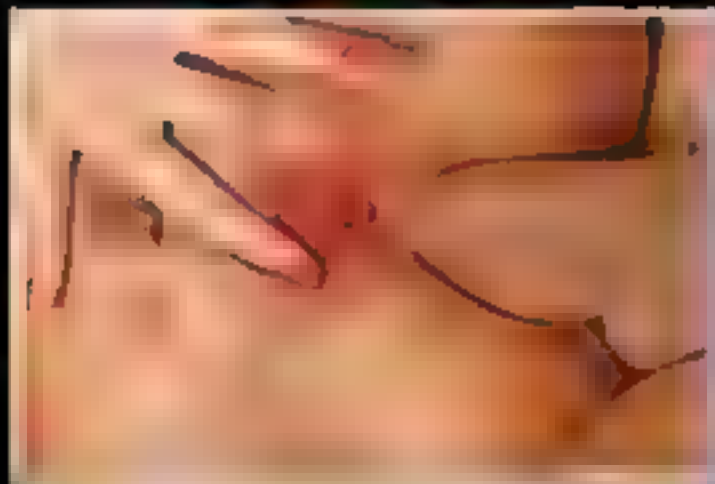

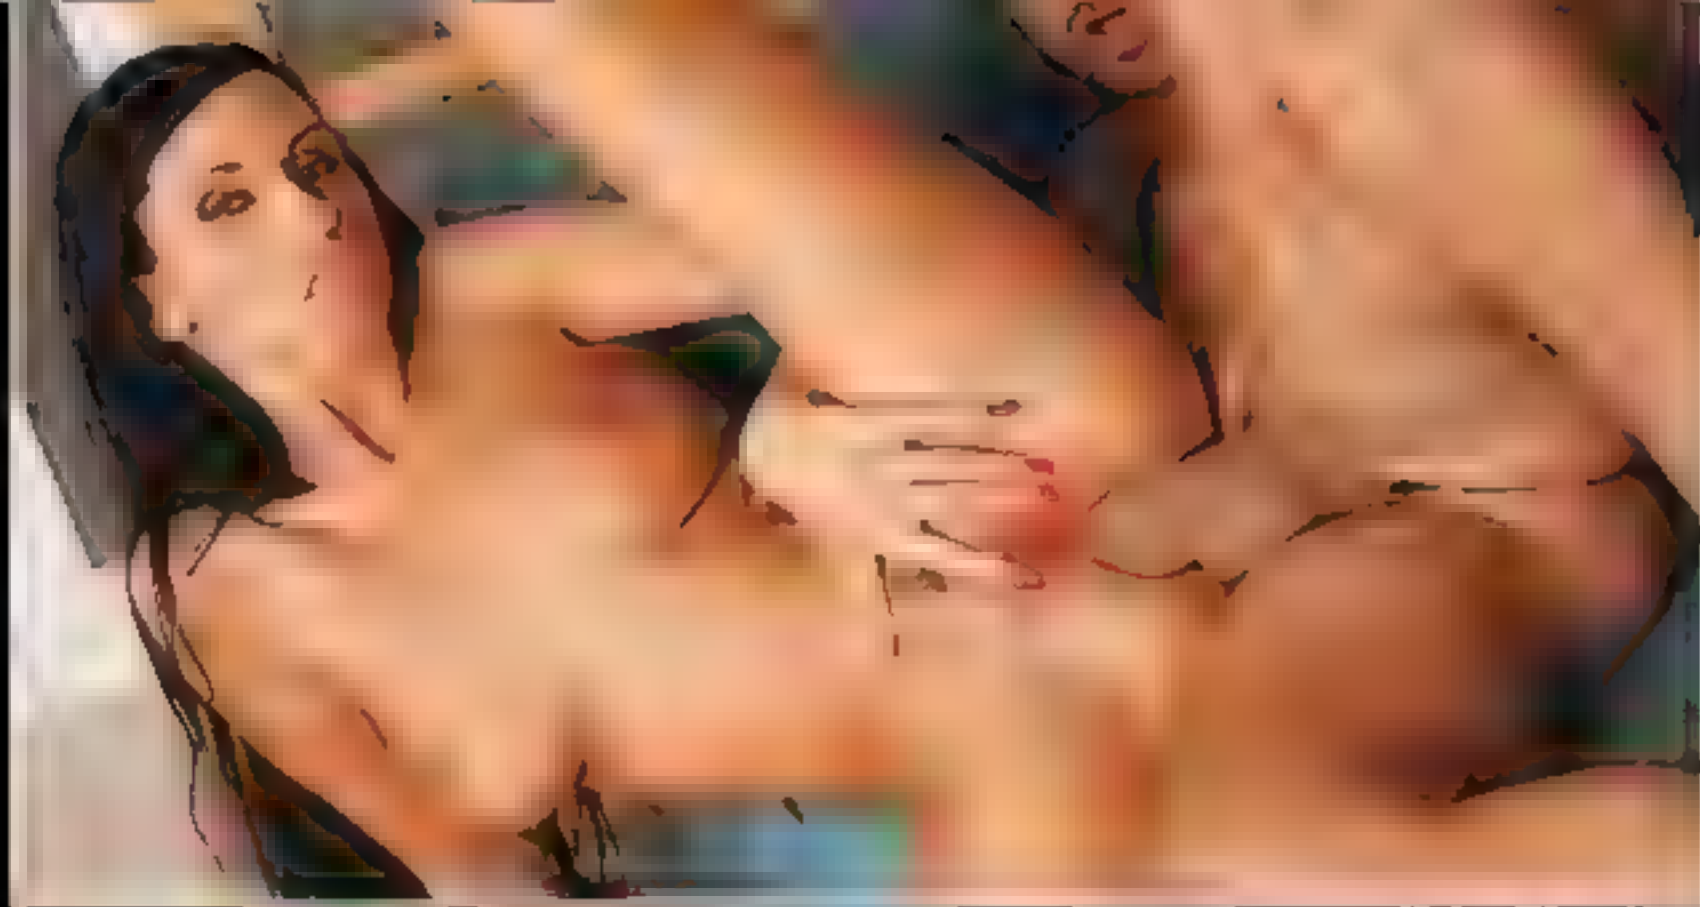

Our dirty photo specialist can't resist the opportunity to bring a pretty girl into the business, so he made the date with Lisa and Leslie. When he arrived at Leslie's that evening, Lisa was timid at first and almost backed out, but when our man showed her his portfolio (which included a couple of girls she admired, including Ms. Daniela), Lisa warmed up to the idea of taking off her clothes and showing the camera what she can do. "Do you think I have what it takes?" she asked. "We'll see," our photographer answered.

It took a while for Lisa to lose her nervousness, but our photographer was patient with her!

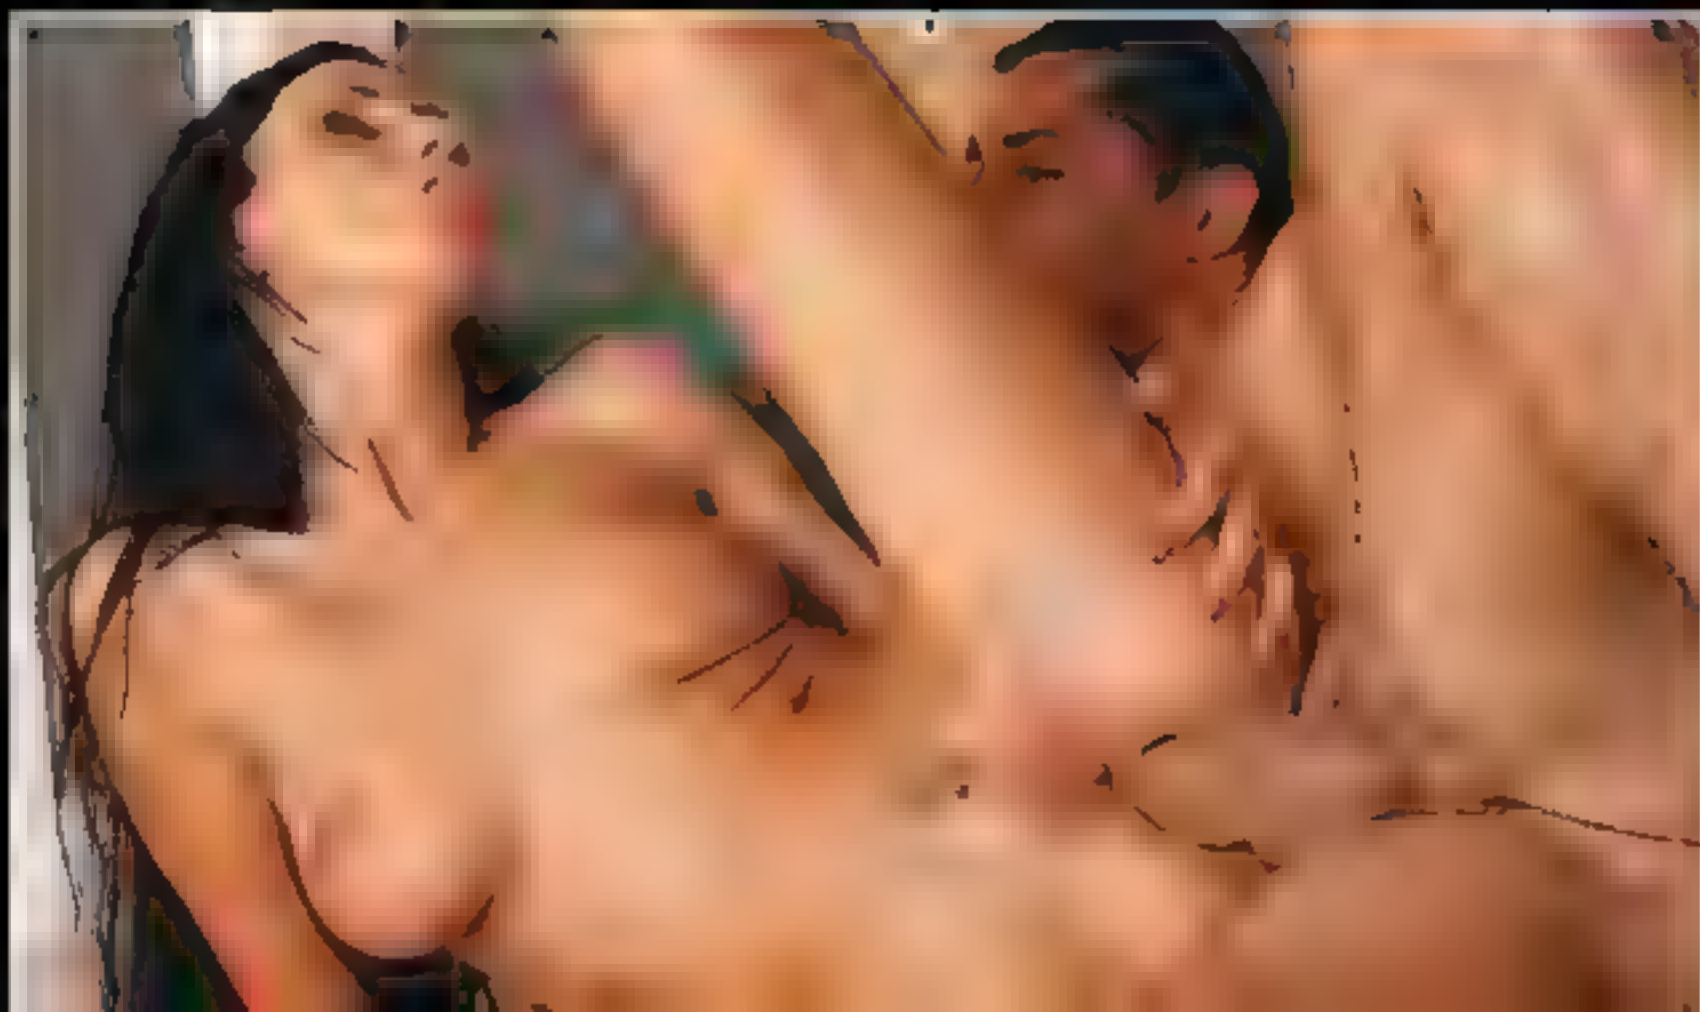

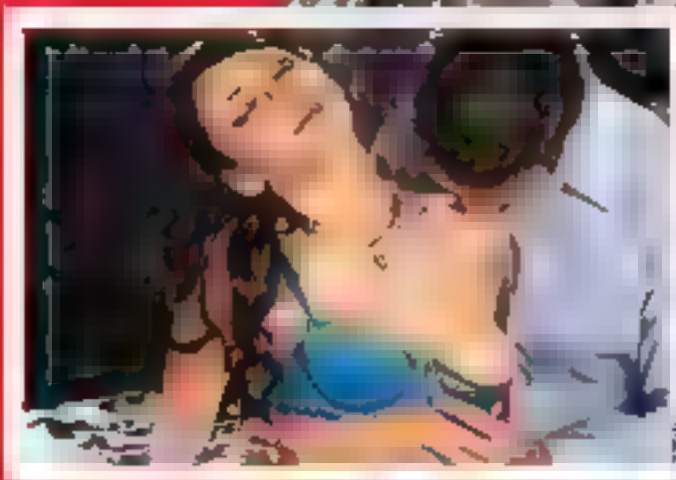

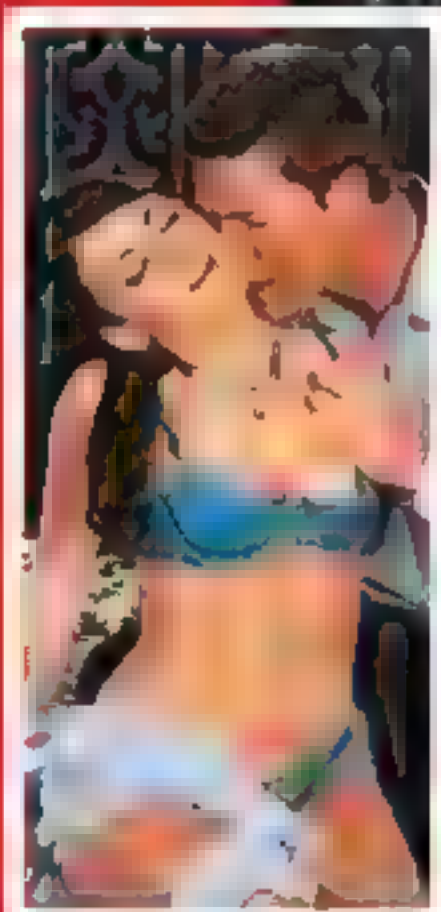

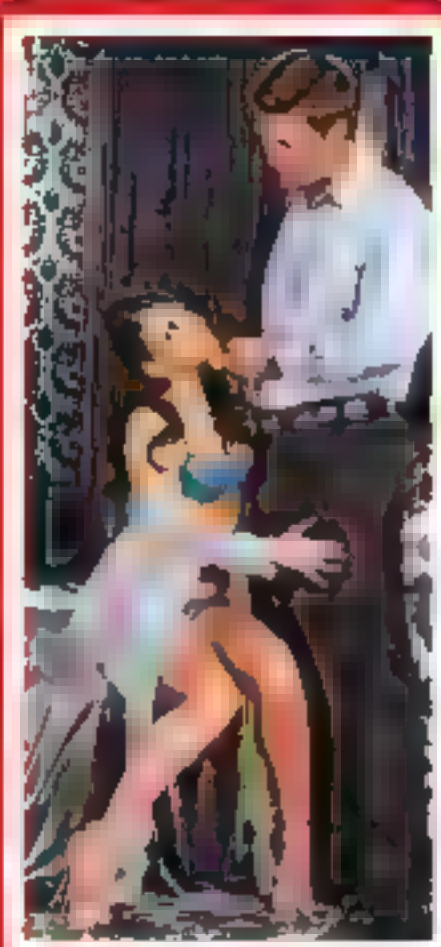

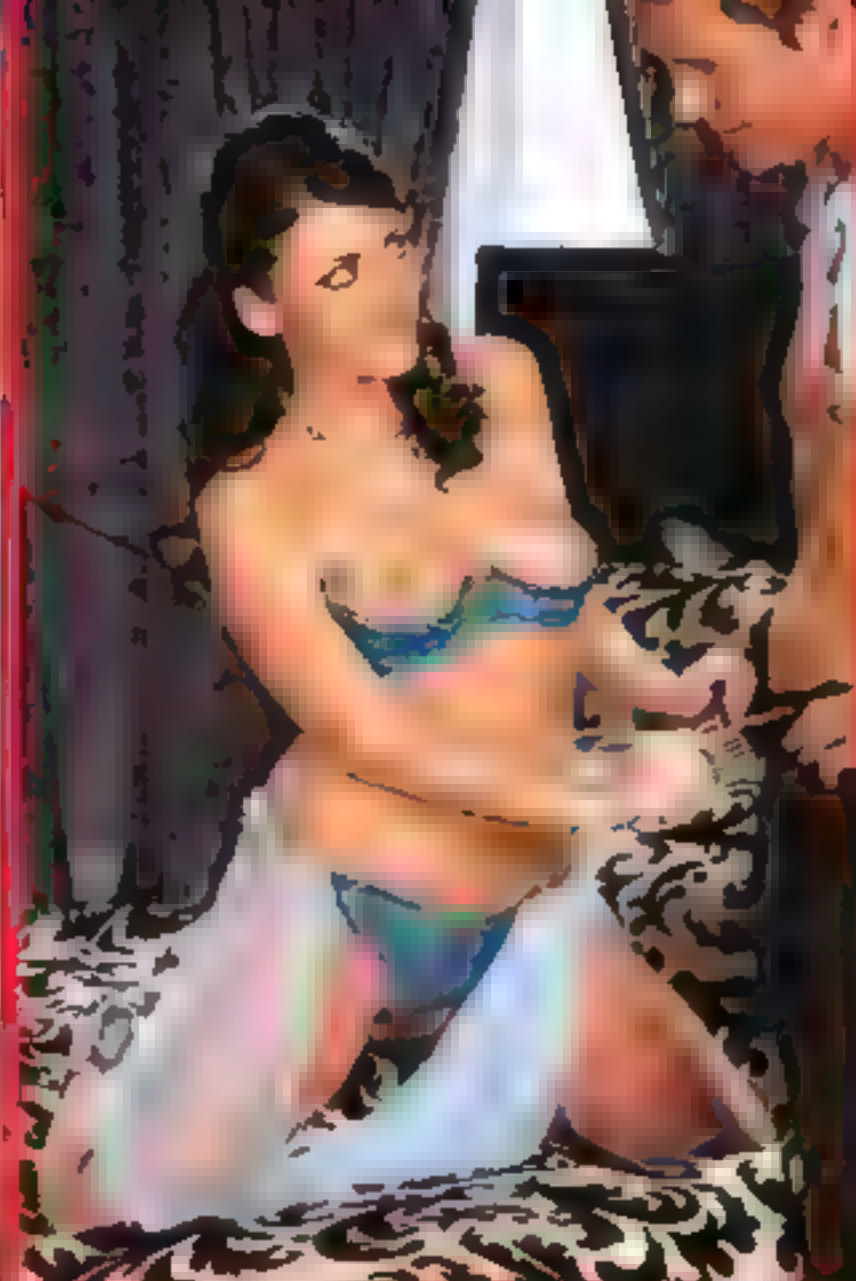

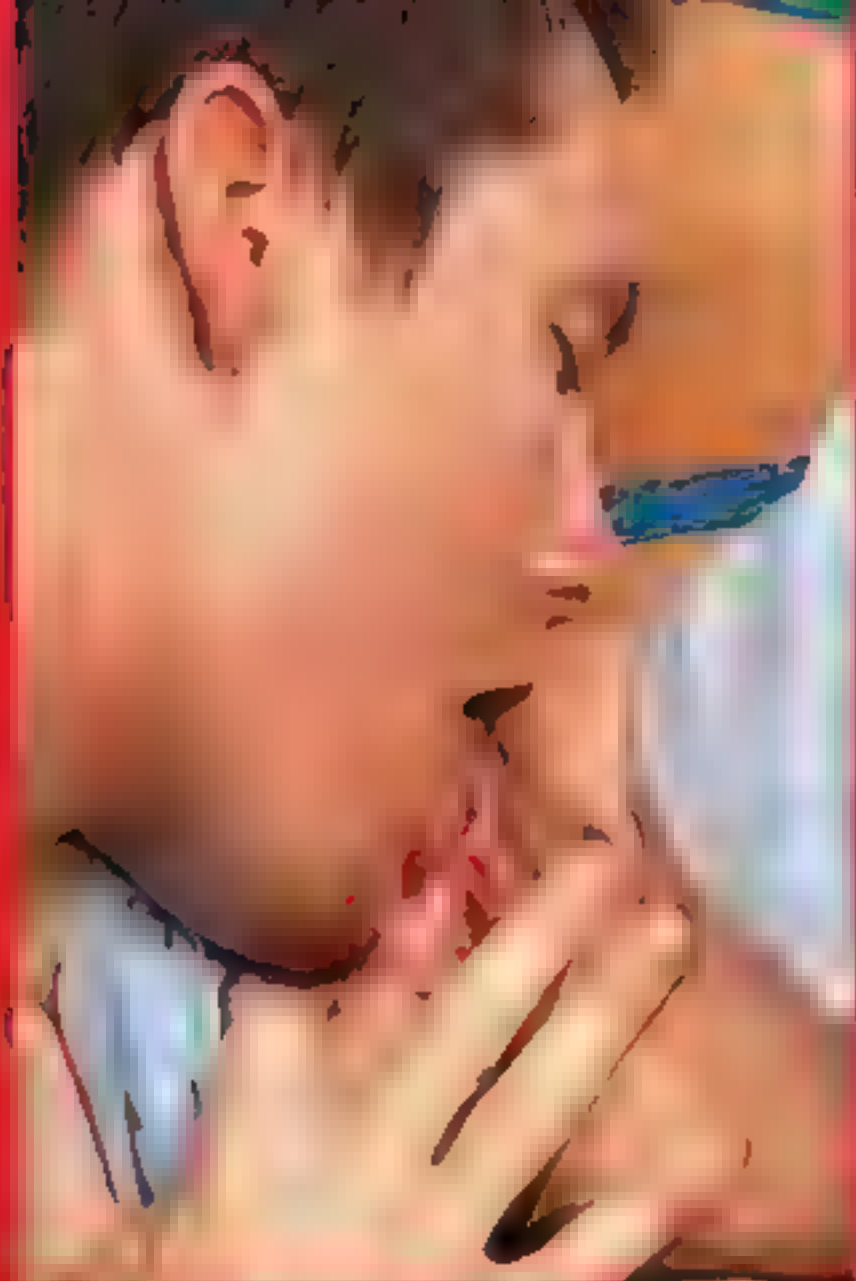

What most people don't realize is the importance of the photographer's "bedside manner." It can make all the difference in the world—and that's why our roving photographer is so good. At once both invisible and encouraging, he knows how to build a girl's ego with just the right words while he's shooting her. He makes her feel like the most beautiful girl in the world. He makes her feel like a sex queen with the sweetest pussy and the hottest mouth that any man has ever experienced. By the time he's halfway through the shoot, Lisa has forgotten that he and his camera are in the room, and that's exactly the way he likes it.

Only after Lisa has swallowed Leslie's cum does she realize that her naked desires have been captured for posterity. But she doesn't care!

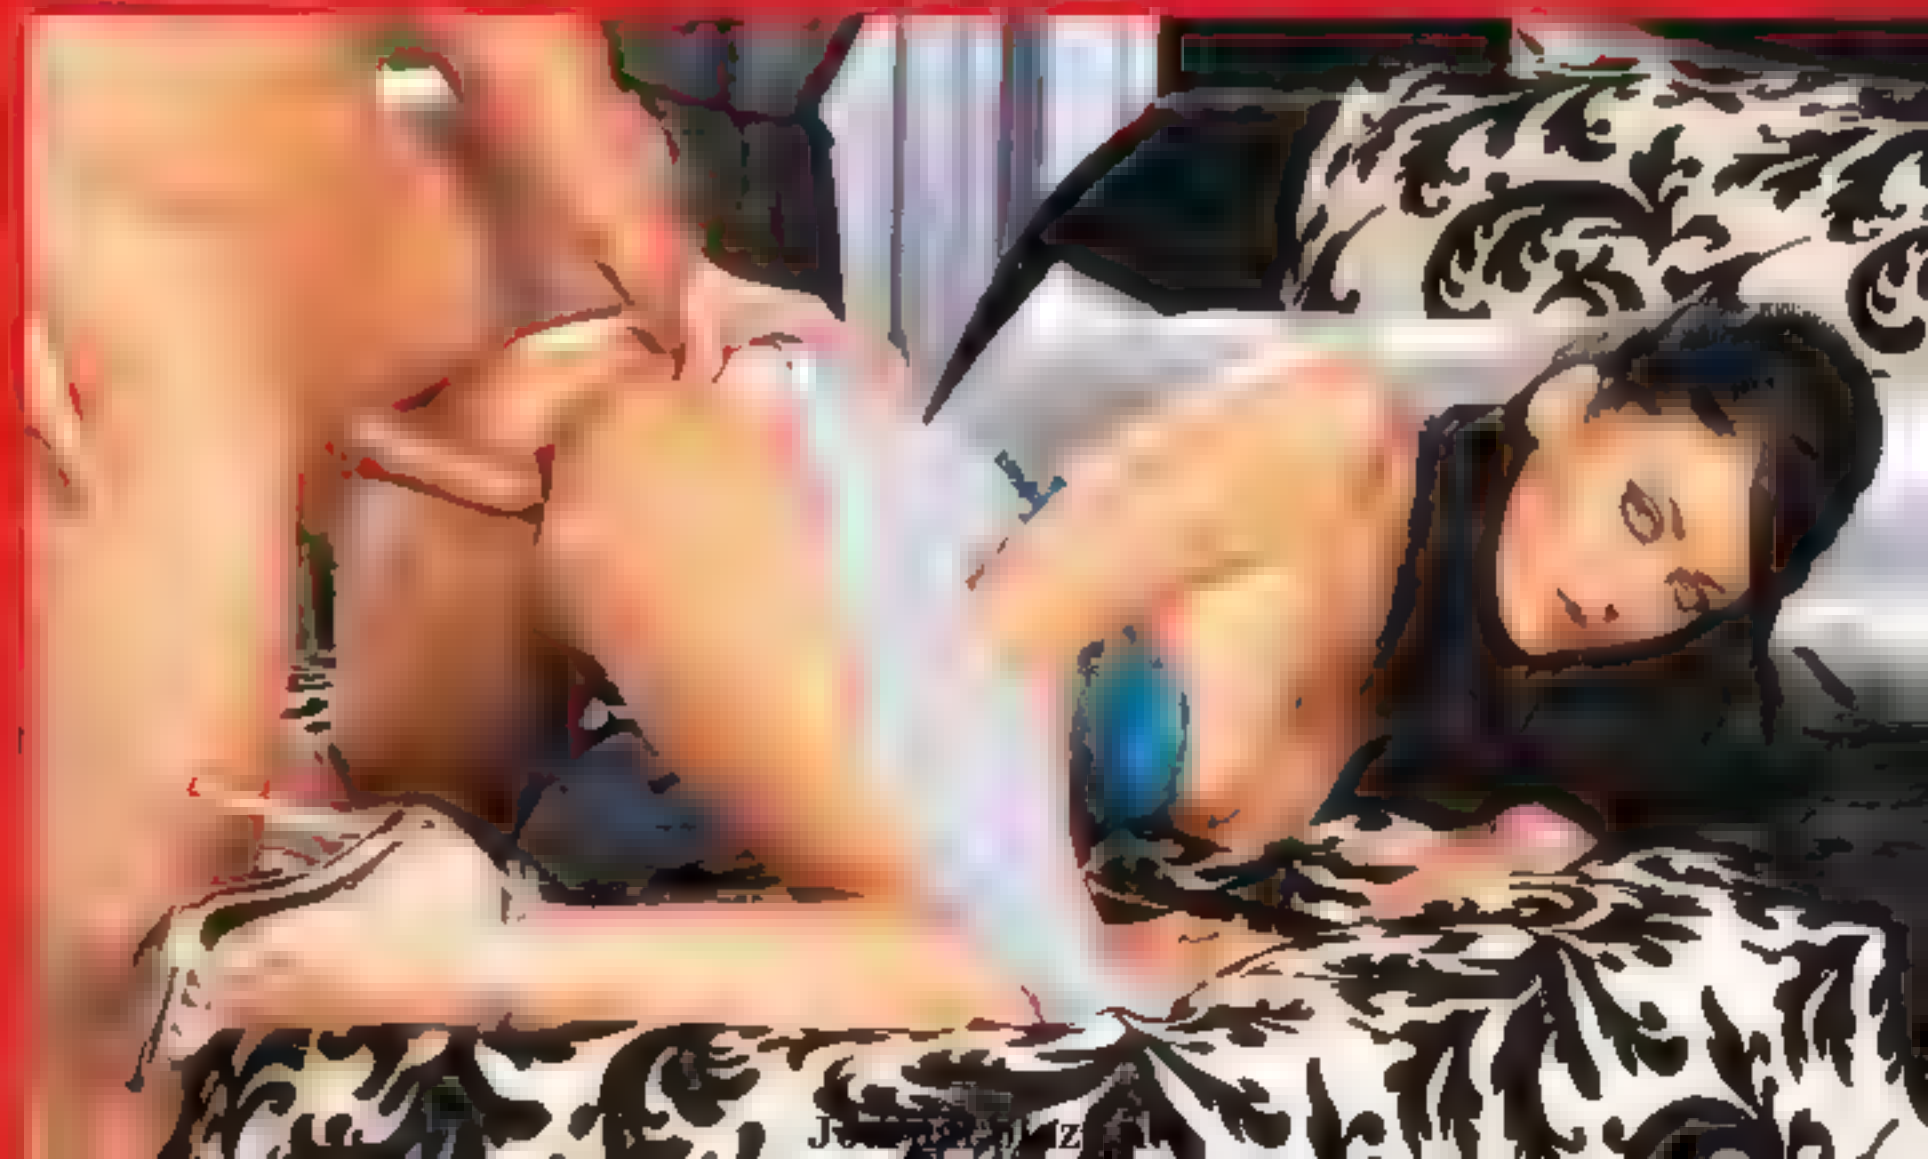

SOPHIE'S CHOICE

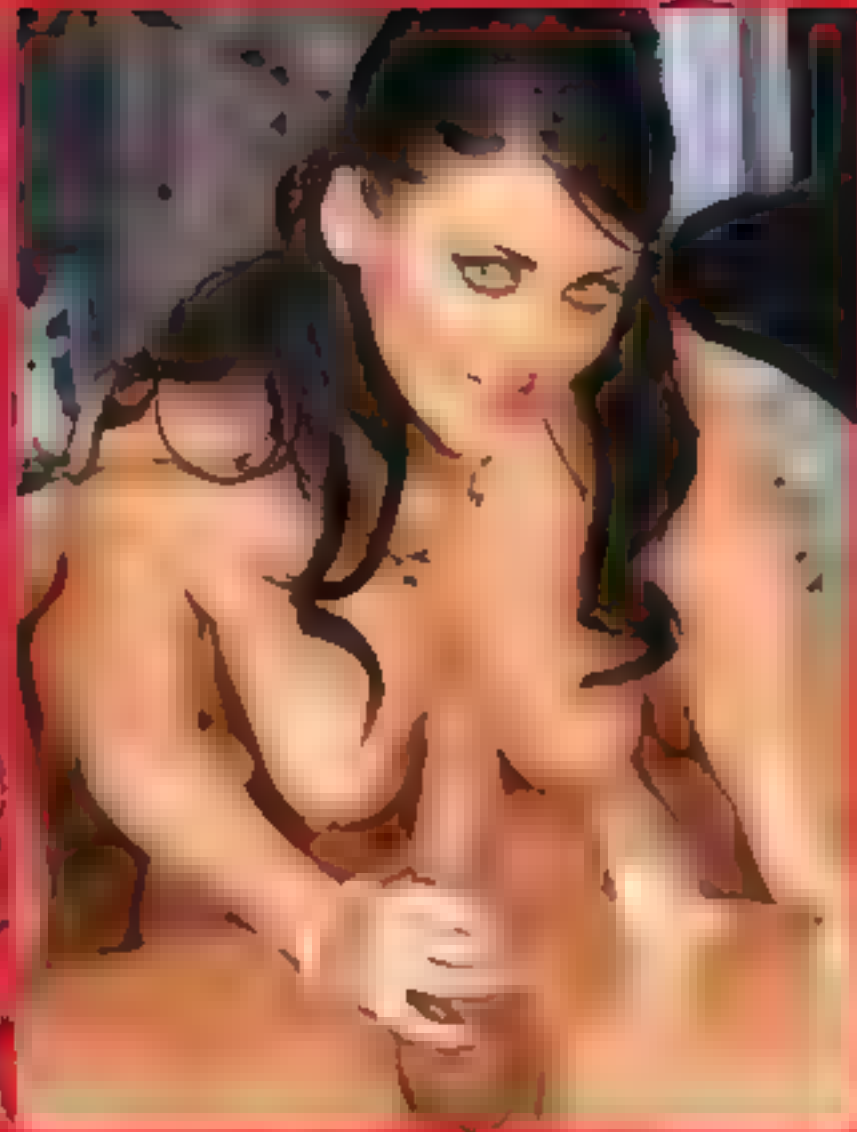

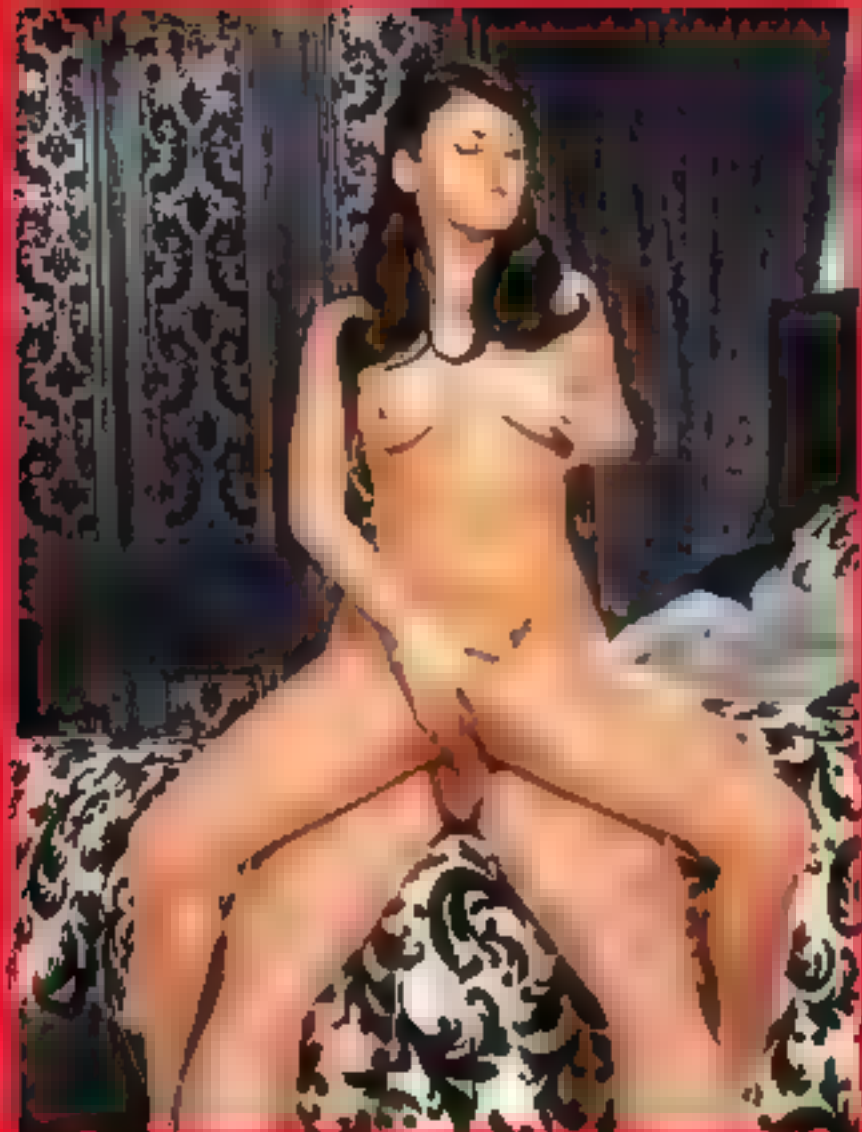

From her first bikini shot in 1981, she has been a favorite of many fans. She has been in many movies, including the 1981 film "The Untouchables" and the 1982 film "The Untouchables". She has also been in many TV shows, including "The Untouchables" and "The Untouchables". She has been a favorite of many fans for many years.

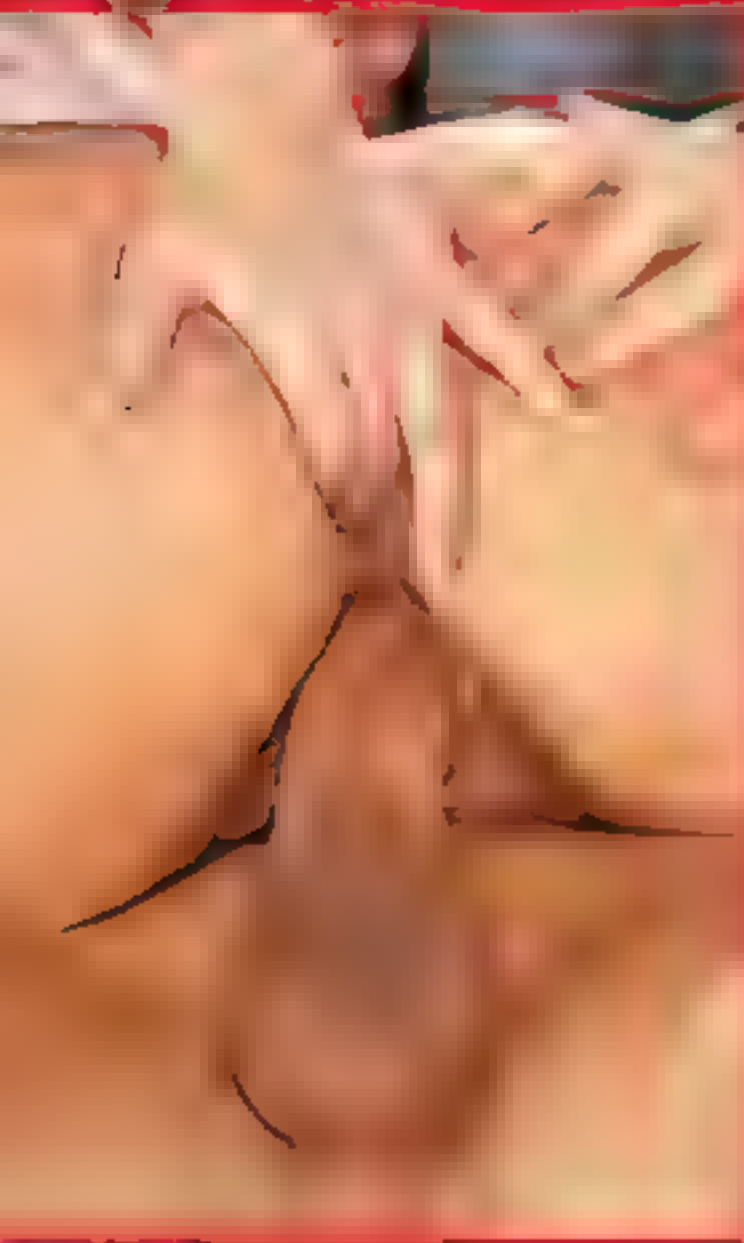

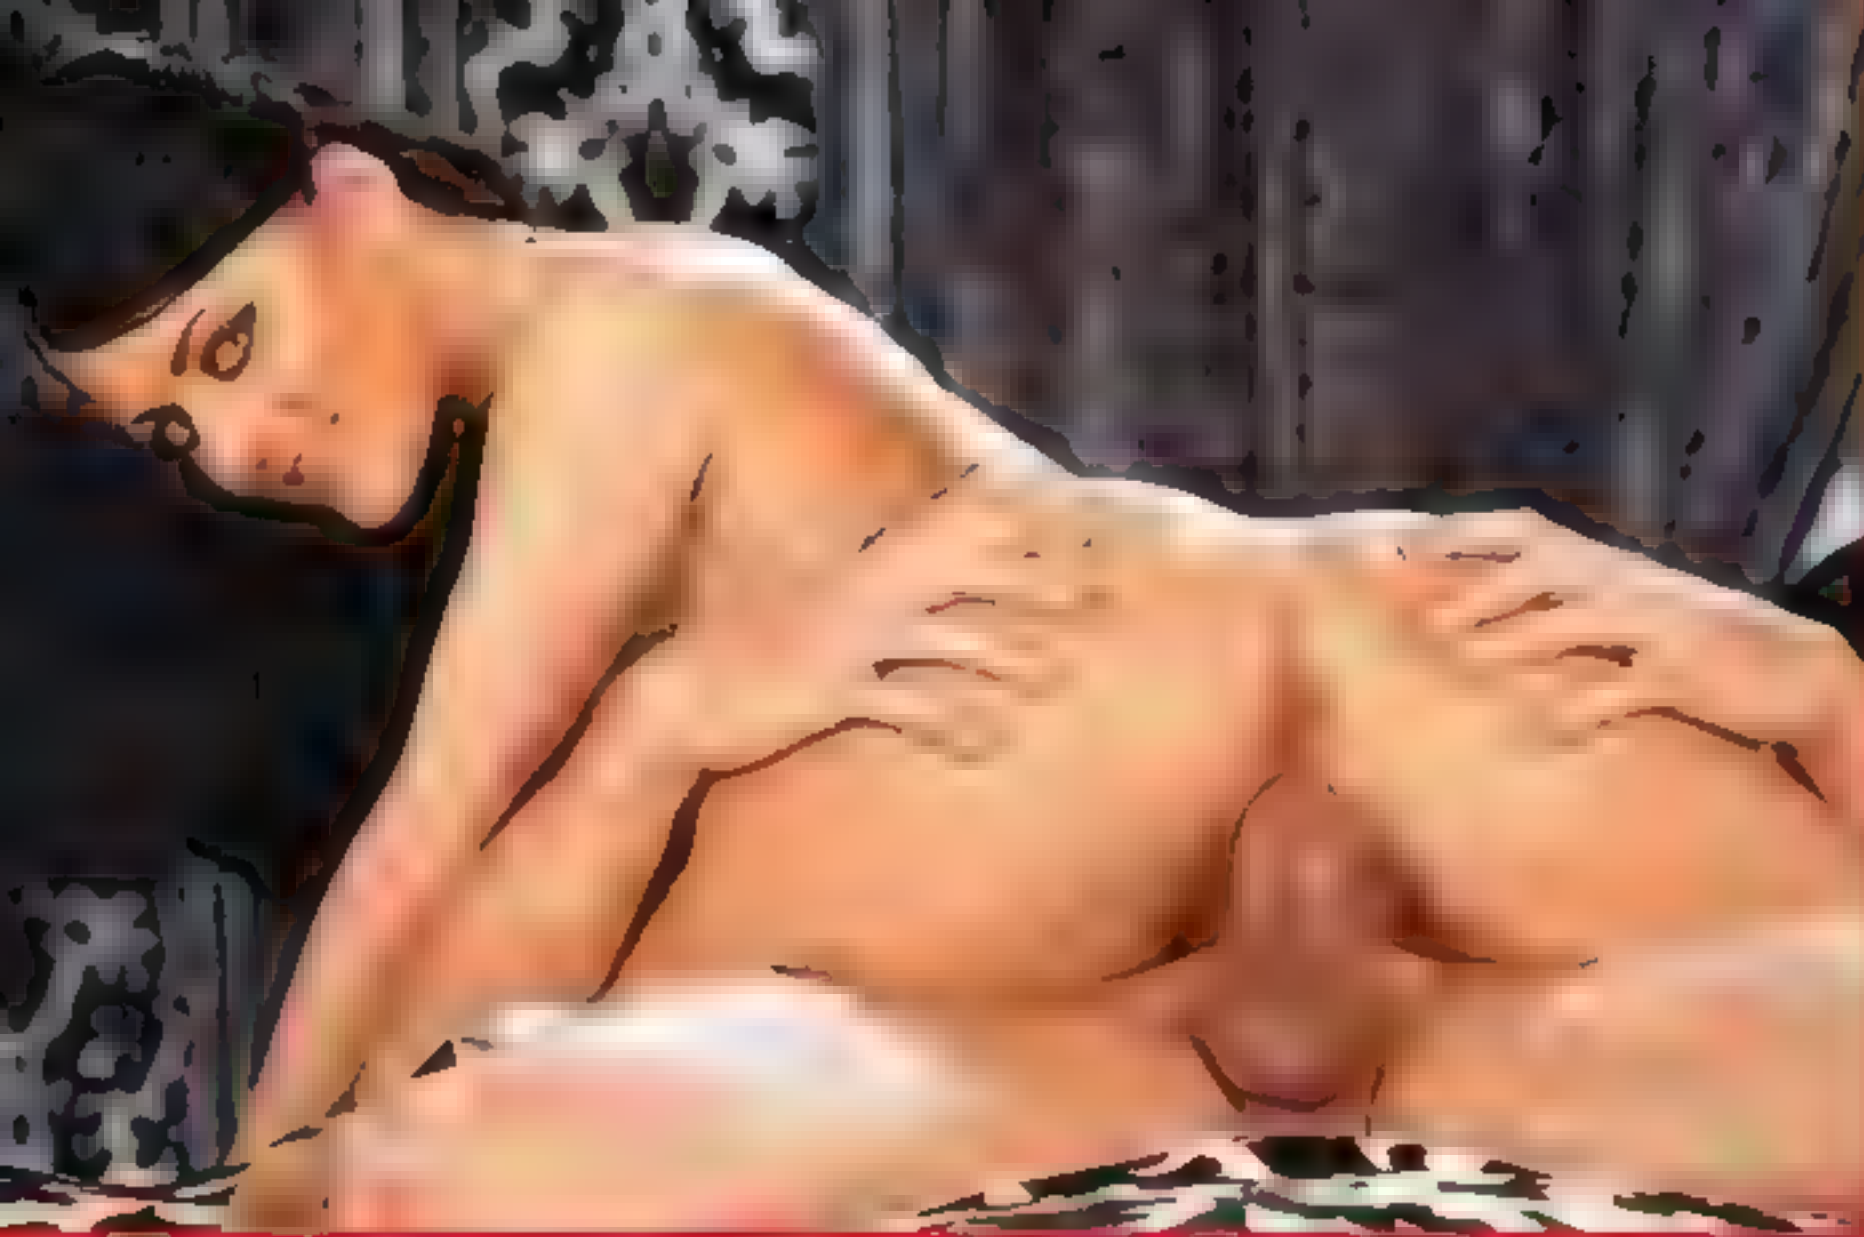

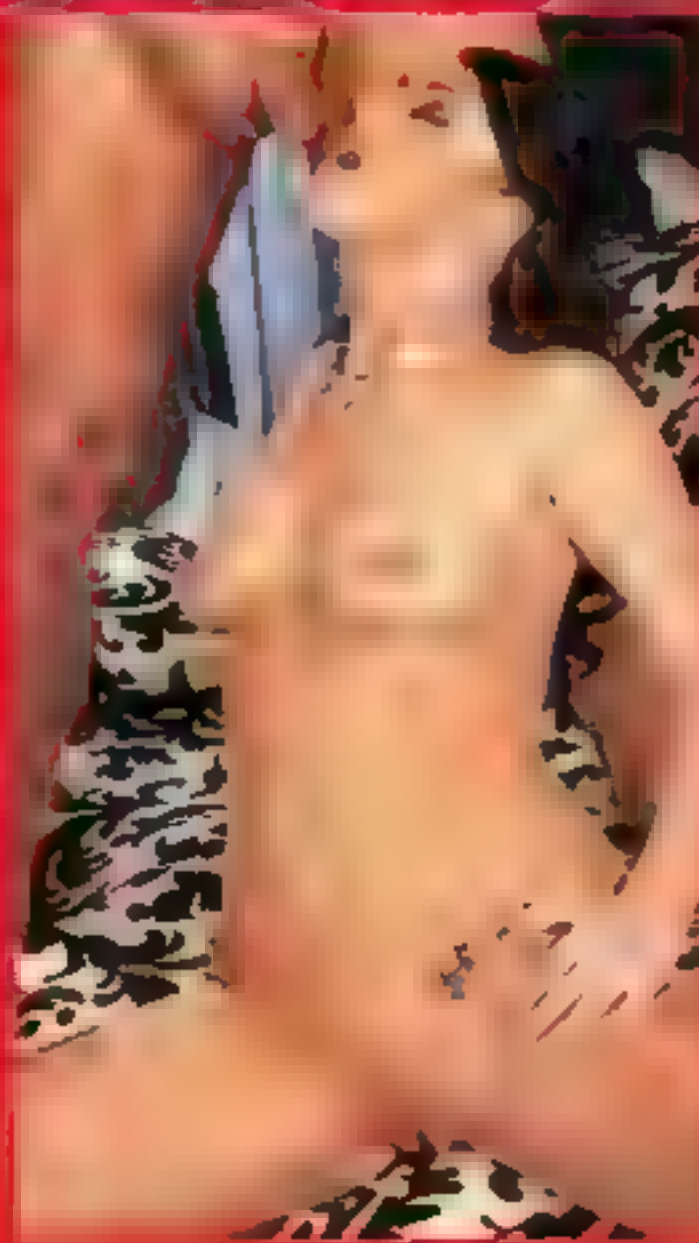

...the eyes off her. The whole thing was that once you get that beautiful smile, you want to go to her and take it all again. She told me the photographer of the photo shoot was not just a man, but a woman. I was not that big and she was not a man.

EROTIC CULTURE

A slice of Italian cheesecake!

Review by Irv G. Neill, Editor

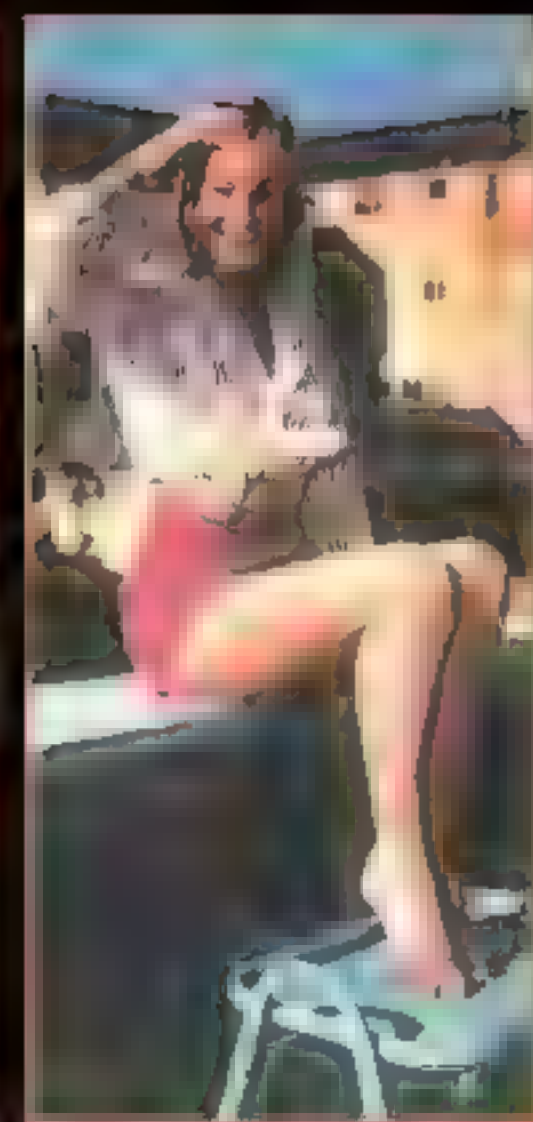

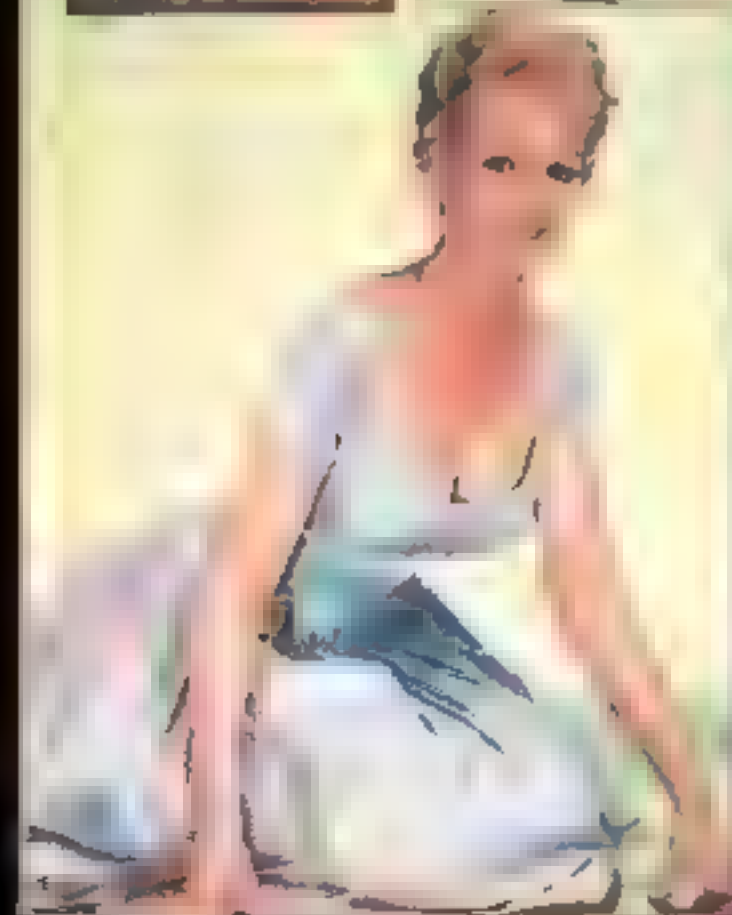

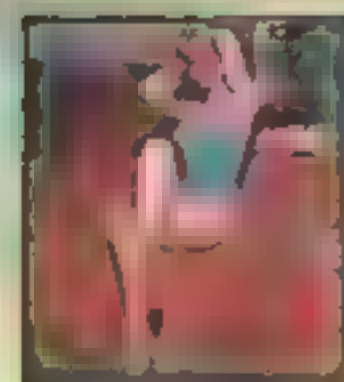

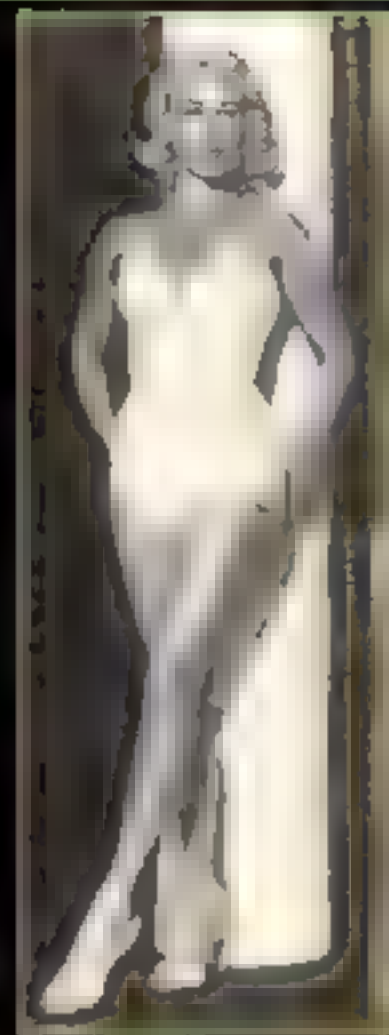

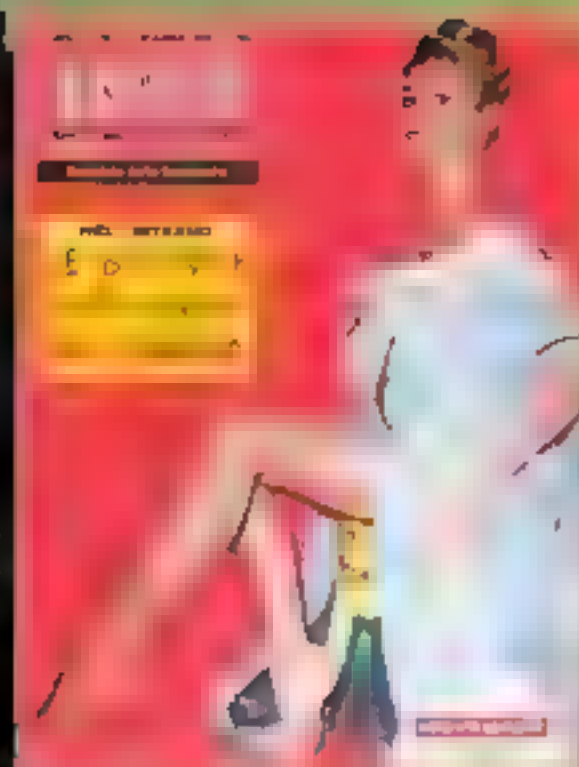

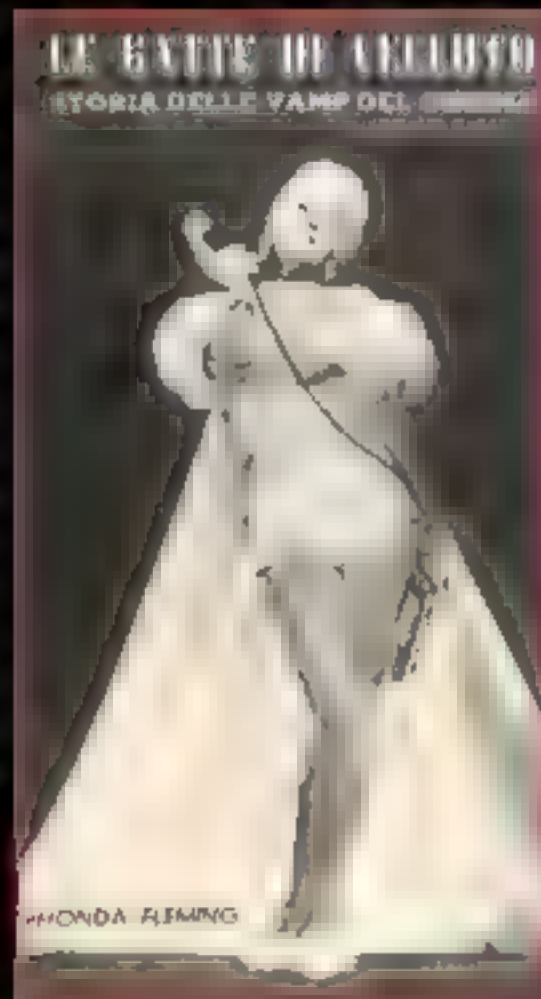

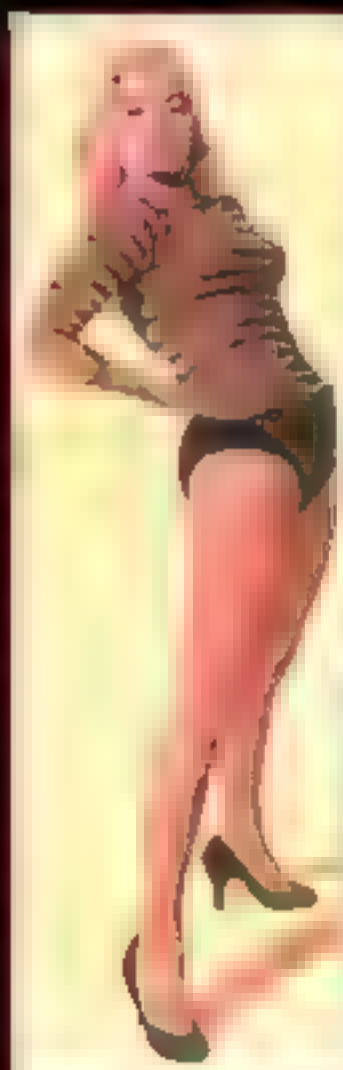

Feminine beauty is something to be savored for its own sake, just because it makes us feel good. And it is particularly enjoyable to contemplate beauty in the form of "cheesecake" photos.

Ye ole editor loves the models of the past as much as those of the present, and I recently picked up a vintage Italian movie magazine, *Maschete*, dated 4/30/59, and found it pleasantly packed with the gorgeous games of some of the top Hollywood and Continental celebrities of years gone by.

I can't speak Italian, so my understanding of the words was severely limited, but after perusing articles obviously devoted to upcoming movies and beauty contests, I simply let my eyes soak in the images of gals like Claudine Longet, Noelle Adam, Brigitte Bardot, Martine Carol, Ennice Mather, Jayne Mansfield, Rhonda Fleming, May Britt, and Christine An-

derson. Some of the names were quite famous in their day, others less so, but all of the pictures in *Maschete* captured their perfect pin with loving care.

Last but not least I found in *Maschete* some excellent shots of Mylene Demongeot (seen here in both the low-cut dress and the blue bathing suit), whom you can see today in sound and motion on the Alpha Video DVD of *The Giant of Marathon*. In that sword-and-sandal flick, Mylene plays a virginal sweetheart to Steve Reeves' heroic warrior. Miss Demongeot looks great in the Greek-style shortie tunic she wears in that movie, bouncing around like an ancient history version of *Bracey Spence*, and Steve gets to rescue her from the clutches of some truly evil buddies. If

you like her photos, check out the flick! Ah, the past. It's fun to visit through mags or movies, just to see the sweet stars of long ago.

It's fun to visit the past through old magazines, and savor the glorious games of a bygone era!

Jasmine Byrne

STATS: 36B-24-36

HOME STATE: California

YEARS IN BIZ: 6

Though she is far from a newcomer in the adult movie world, the 2008 release of *A Cam-Sucking Whore Named Jasmine Byrne* (Anabolic) officially moved this spicy raunch queen to the head of the lewd lady class. Creampies, DPs, AZM and wrapping jazz usually come standard in Jasmine's scenes, and her co-stars often find themselves being pushed to their limit just trying to keep up with this insatiable siren.

star bio

Cindy Crawford

STATS: 33C-25-33

HOME STATE: Nevada

YEARS IN BIZ: 6

On the surface, Cindy's petite frame, big eyes and small town girl looks might lead one to believe that she was something of a naïve virgin with morals, and a hymen, that was still intact. However, those of us that have seen Cindy getting her crazy fuck on in such XXX discs as *Monster Cock Mania* (Bone) and *Stimlin' In The Goin' (Hurdler)* know that no deed is too dirty, and no hole is off limits to this fiery platinum-haired sex junkie.
